00:00:12,060 --> 00:00:16,780

Joined from (omz007 & Patriot_6110) and resync by (funnykiddy)

2

00:00:52,669 --> 00:00:53,800

Wait here son.

3

00:01:00,560 --> 00:01:02,080

It'll soon be over.

4

00:01:26,765 --> 00:01:29,364

Remember me, number one?

5

00:01:30,570 --> 00:01:33,470

I've been waiting a very long time for this.

6

00:01:34,210 --> 00:01:35,050

I know.

7

00:01:35,847 --> 00:01:36,780

But...

8

00:01:37,345 --> 00:01:39,169

it all ends here...

9

00:03:19,810 --> 00:03:24,070

Finally, I've got the title of number one in my hands.

10

00:03:35,310 --> 00:03:37,989

Aarrghh...

11

00:03:38,060 --> 00:03:40,777

With this band, across my forehead.

12

00:03:46,800 --> 00:03:49,880

I will rule this world, as God himself.

13

00:04:02,470 --> 00:04:05,380

It's unfortunate that you had to see this boy.

14

00:04:11,860 --> 00:04:13,640

This moment will always haunt you.

15

00:04:15,430 --> 00:04:17,790

You will be consumed by hatred for me.

16

00:04:21,415 --> 00:04:22,350

Challenge me

17

00:04:23,220 --> 00:04:24,880

...when your ready to duel a god.

18

00:05:24,450 --> 00:05:27,210

This is the end of the road.

19

00:05:29,018 --> 00:05:31,101

...Afro Samurai!

20

00:05:35,300 --> 00:05:37,910

We got twenty guys here, all armed to the teeth.

21

00:05:37,911 --> 00:05:39,280

We got you surrounded.

22

00:05:40,245 --> 00:05:42,605

We never said we were going to play fair.

23

00:05:43,280 --> 00:05:48,720

I got no idea why, but some pretty rich folks want to pay Top Dollar \$ for that cloth.

24

00:05:49,690 --> 00:05:50,737

Why don't ya..

25

00:05:51,740 --> 00:05:53,365

...give it up, kid.

26

00:05:59,855 --> 00:06:01,580

Everybody's a tough guy...

27

00:06:02,100 --> 00:06:03,450

Ok, have it your way.

28

00:06:05,740 --> 00:06:06,577

Gear up, boys!

29

00:06:33,580 --> 00:06:36,700

I'd put both hands on
that sword if I were you.

30

00:06:37,280 --> 00:06:38,860

Punk ass motherf*cker!

31

00:07:00,010 --> 00:07:00,570

What the?!

32

00:07:01,610 --> 00:07:02,548

That's impossible!

33

00:07:02,550 --> 00:07:05,900

You son of a...
freaking mother, I'll cut you, I'll cut you!

34

00:08:51,039 --> 00:08:53,246

I took this job because I thought you were
just A Legend.

35

00:08:54,626 --> 00:08:55,357

Just a story.

36

00:08:56,480 --> 00:08:57,931

A story to scare little kids.

37

00:08:59,635 --> 00:09:03,966

But you're the real deal.

The demon who dares to challenge a god.

38

00:09:04,579 --> 00:09:05,977

So what the hell do you want?!

39

00:09:07,061 --> 00:09:11,511

Don't seem to me like you're out to
make this stinkin' world a better place.

40

00:09:15,447 --> 00:09:18,829

Why you gotta kill all my men?

Why you gotta kill me?

41

00:09:27,300 --> 00:09:28,550

Nothing personal...

42

00:09:28,571 --> 00:09:30,555

It's just revenge...

43

00:10:02,270 --> 00:10:03,830

Yo Yo Yo Yo Yo Yo Afro!!!

44

00:10:05,395 --> 00:10:07,085

That was off the chain!

45

00:10:07,120 --> 00:10:09,870

Cold blooded! Damn Motherf*cker!

46

00:10:13,240 --> 00:10:17,545

Excuse me for probing, but what you just did
back there, was it absolutely necessary ?

47

00:10:17,580 --> 00:10:22,118

I'm beginning to wonder if you got any feeling for
human life left in you at all!

48

00:10:33,010 --> 00:10:37,860

Hey, hey, hey! If you don't stop dissing me

I'm gonna stop following your brutal ass around!

49

00:10:37,870 --> 00:10:39,832

Then, who's gonna watch your back.

50

00:10:40,700 --> 00:10:41,235

Anyway

51

00:10:41,240 --> 00:10:43,530

I did check some Monk looking bald motherf*cker

52

00:10:43,535 --> 00:10:47,999

in the tree chattin' on his cellie
while watching your killing spree.

53

00:10:48,500 --> 00:10:49,440

Don't that bother you?

54

00:10:49,442 --> 00:10:50,935

Sure as hell bothers me.

55

00:10:51,920 --> 00:10:52,320

Yo!

56

00:10:53,330 --> 00:10:53,760

Yo!

57

00:10:55,105 --> 00:10:56,353

Hold up, hold up!

58

00:10:57,198 --> 00:10:58,040

Afro!!!

59

00:11:13,530 --> 00:11:14,760

Yo, Yo, Yo!

60

00:11:15,320 --> 00:11:16,820

Freakin' News just in!

61

00:11:18,860 --> 00:11:19,430

Huh? What the?

62

00:11:25,770 --> 00:11:26,830

Easy kid.

63

00:11:27,370 --> 00:11:28,260

What's the problem?

64

00:11:30,800 --> 00:11:32,570

It's him, he's here! He's here!

65

00:11:33,110 --> 00:11:35,010

[Wait! What?]

66

00:11:35,480 --> 00:11:37,440

What the hell are you talkin about punk!?

67

00:11:40,180 --> 00:11:41,650

Ain't no doubt about it Man!

68

00:11:45,490 --> 00:11:46,350

Here, drink up.

69

00:11:52,560 --> 00:11:55,960

He had this Afro hairdo.

You know what I'm saying?

70

00:11:56,030 --> 00:11:59,200

With a kind of greenish tint to it if you look
real close!

71

00:11:59,630 --> 00:12:02,620

And he was wearing this freakin' Head Band

72

00:12:02,621 --> 00:12:05,610

with a number two stamped across
his freakin' forehead

73

00:12:06,370 --> 00:12:09,280

Did you say Afro Hairdo? greenish tint?

74

00:12:09,610 --> 00:12:12,010

The Head Band,
With a number two written across it?

75

00:12:12,550 --> 00:12:14,010

Make no mistake!

76

00:12:14,750 --> 00:12:16,820

That's him.

That's the number two.

77

00:12:18,190 --> 00:12:19,650

The Afro Samurai.

78

00:12:22,060 --> 00:12:24,690

THE Afro Samurai?!

79

00:12:25,290 --> 00:12:28,460

The one who cut down
the assassins of the Western Guild?

80

00:12:29,360 --> 00:12:33,830

The Number 2 Swordsman
of the world?

81

00:12:34,570 --> 00:12:39,570

He's cold-blooded, he killed the
Brothers of Osara in only 5 moves.

82

00:12:43,010 --> 00:12:46,750

So, don't think twice about
crossing swords with that guy.

83

00:12:47,610 --> 00:12:50,615

What a bunch of sissies.

Screw that, cowards!

84

00:12:50,716 --> 00:12:54,420

You guys just watch while I
take that Number 2 Head Band

85

00:12:54,960 --> 00:12:59,060

That's all Bullsh*t, you as*holes just watch
I'm gonna take him out.

86

00:12:59,390 --> 00:13:00,300

It's gonna be me!

87

00:13:00,600 --> 00:13:01,900

Let me take him baby...

He's all mine!

88

00:13:02,360 --> 00:13:04,770

Nah, I'm gonna be the Number 2!

89

00:13:05,830 --> 00:13:09,800

All of ya just shut up! Cause while you
talk and talk and talk, my spear will be
splitting his head in half.

90

00:13:10,340 --> 00:13:11,300

Just like this!

91

00:13:13,110 --> 00:13:13,810

Hey Man!

92

00:13:14,210 --> 00:13:16,140

Get that rusty piece of junk out
of my face, man!

93

00:13:20,310 --> 00:13:20,880

Maam?

94

00:13:21,950 --> 00:13:22,550

Yeah?

95

00:13:23,220 --> 00:13:26,990

Why is everyone after this?

Afro Samurai?

96

00:13:27,590 --> 00:13:28,250

You don't know?

97

00:13:28,350 --> 00:13:30,190

You really must be from out of town.

98

00:13:30,230 --> 00:13:32,330

We got ourselves a Legend around here.

99

00:13:32,660 --> 00:13:33,330

A Legend?

100

00:13:34,230 --> 00:13:39,330

Look, Two Ancient Head Bands.

The Number One and the Number Two.

101

00:13:40,370 --> 00:13:43,310

If you have it Number One, you're like a god.

102

00:13:43,840 --> 00:13:45,370

Nobody can touch you.

103

00:13:46,630 --> 00:13:49,480

Except, he who wears Number Two.

104

00:13:50,240 --> 00:13:53,150

- The Trouble with that is...

- The Trouble with that is...

105

00:13:54,060 --> 00:13:57,510

...that anyone in the world can
challenge you.

106

00:14:02,560 --> 00:14:04,890

Clever boy, you're interested?

107

00:14:05,530 --> 00:14:08,030

The Life of Number Two? Constant combat?

108

00:14:08,430 --> 00:14:13,400

But ultimately, the path a warrior should take
and the reward is to become a god.

109

00:14:13,610 --> 00:14:16,470

Yep, they say that Number

One waits at the top of Mount Shune.

110

00:14:18,340 --> 00:14:21,340

You can't miss it, it's got like two
huge handlike things.

111

00:14:25,290 --> 00:14:26,910

Get out of my way!

112

00:14:28,450 --> 00:14:29,820

Take it easy Mack!

113

00:14:30,480 --> 00:14:34,020

You ain't the only one here who thinks
they can take him.

114

00:14:38,530 --> 00:14:40,430

Aaagghhh my eyes!

115

00:14:40,890 --> 00:14:42,000

Freakin' son of a...

116

00:14:42,960 --> 00:14:43,660

Warmed up yet??

117

00:14:45,500 --> 00:14:47,500

Hey! Hey! You wanna fight? Take it outside!

118

00:15:09,860 --> 00:15:10,960

Lemonade.

119

00:15:11,090 --> 00:15:12,090

Ice Cold

120

00:15:12,930 --> 00:15:15,100

Coming right up.

2.50, please.

121

00:15:19,930 --> 00:15:21,100

Lemonade, hehehehe

122

00:15:22,600 --> 00:15:24,240

Hey Man! Shut the hell up!

123

00:15:24,440 --> 00:15:26,970

Now look what we got ourselves
here.

124

00:15:28,630 --> 00:15:30,260

Here you are, Lemonade.

125

00:15:33,350 --> 00:15:35,580

Drink that, boy. Hehehe

126

00:15:38,650 --> 00:15:40,290

You want another one?

127

00:15:42,220 --> 00:15:43,360

On his tab?

128

00:15:57,770 --> 00:15:58,370

Holy!

129

00:15:59,470 --> 00:16:00,840

Here you are, Lemonade.

130

00:16:01,880 --> 00:16:03,460

That's gonna cost your more than 2.50.

131

00:16:04,240 --> 00:16:06,650

And I think that guy's tab has run out.

132

00:16:19,830 --> 00:16:21,090

That's very cool!

133

00:16:30,070 --> 00:16:32,370

Oh, refreshing.

134

00:16:33,210 --> 00:16:34,570

Good you'll need it.

135

00:16:34,990 --> 00:16:37,940

You still got a long way to go, Number Two.

136

00:16:38,910 --> 00:16:41,720

Pass the mountains by way of the
Lowdown East path

137

00:16:41,755 --> 00:16:45,120

...Beware of the Cliffs, and know
that they are waiting for you.

138

00:16:45,220 --> 00:16:45,920

Thanks.

139

00:16:51,310 --> 00:16:52,110

Hey Afro! Yo Fro Boy!

140

00:16:52,430 --> 00:16:55,590

You sure that this is the right
way to go?

141

00:16:55,880 --> 00:16:57,600

These cliffs don't look so safe, man.

142

00:16:58,500 --> 00:16:59,640

And one other thing

143

00:17:00,400 --> 00:17:03,490

Umm, don't look now, but I think
we got a stalker.

144

00:17:05,370 --> 00:17:10,840

A crazy fanboy from the tea house.
And he don't want your autograph.
More like an epitaph.

145

00:17:11,080 --> 00:17:15,999

Now I suggest you keep stepping
because this one is a stone killer.
For real!

146

00:17:16,580 --> 00:17:20,210

Yo! Didn't you hear me? Get going!

147

00:17:20,620 --> 00:17:22,360

I'm trying to pull your coat!

148

00:17:23,760 --> 00:17:28,260

Oh! All you gonna do is ignore me? Alright!
Alright! You wanna blow it for me and you.

149

00:17:28,310 --> 00:17:28,900

Shut up.

150

00:17:29,960 --> 00:17:32,200

Well fine! Go get your lank ass killed then!

151

00:17:32,430 --> 00:17:34,000

But don't say I didn't warn ya!

152

00:17:34,280 --> 00:17:34,770

Later!

153

00:17:42,160 --> 00:17:43,610

I am called Soshun.

154

00:17:44,040 --> 00:17:47,350

I come from the land of the great
weapons masters of the West.

155

00:17:49,320 --> 00:17:52,790

I see you wear one of the Head Bands of Legend
that leads to godhood.

156

00:17:55,360 --> 00:17:57,020

So? Shall we?

157

00:17:58,960 --> 00:18:01,200

Afro! Don't fight this f*cker!

158

00:18:03,460 --> 00:18:05,660

He got arrows and grenades and sh*t!

159

00:18:05,700 --> 00:18:07,100

You ain't got no chance dude!

160

00:18:36,800 --> 00:18:39,300

Ahhh! Is he dead? Don't tell me he's dead!

Is he dead!?

161

00:18:39,400 --> 00:18:40,230

I asked you a question!

162

00:18:50,010 --> 00:18:54,580

Your jumping is only putting you
directly in the line of my fire Samurai fool!

163

00:18:55,480 --> 00:18:58,040

Where will you go now, great
Number Two Warrior?

164

00:19:10,330 --> 00:19:12,370

My aim is to only move forward.

165

00:19:26,680 --> 00:19:32,080

Whoo! Brother! You did your thang!
I thought you was dead fo' sure!

166

00:19:32,920 --> 00:19:35,220

Yo! My Man! III I gots to tell ya,
I don't know if it's

167

00:19:35,221 --> 00:19:37,520

your natural pheromones, or
you need a shower

168

00:19:38,090 --> 00:19:40,790

But Assassins are coming at us
like flies on hot sh*t!

169

00:19:44,230 --> 00:19:47,800

I gots to say, there's something
strange still out there.

170

00:19:51,200 --> 00:19:55,760

[Cellphone ringing] Yes?

171

00:19:56,880 --> 00:19:58,880

It's me, Brother Two.

172

00:20:12,790 --> 00:20:14,510

Yeah.. Uhu... I see.

173

00:20:16,990 --> 00:20:17,700

Carry on then.

174

00:20:18,690 --> 00:20:21,010

And remember you are among

the righteous few.

175

00:20:21,530 --> 00:20:24,530

And we have placed great faith
in your ability to track him.

176

00:20:28,470 --> 00:20:32,280

Because the Number Two Warrior
has now begun to move in earnest

177

00:20:32,690 --> 00:20:36,580

It seems our cherished brother's
work is now Truly beginning.

178

00:20:38,030 --> 00:20:41,180

The Number Two walks the path
Lowdown East.

179

00:20:43,110 --> 00:20:45,270

In the Great Ancestry Direction.

180

00:20:46,290 --> 00:20:52,630

Our Number 2 Warrior's journey

will no doubt end at the Great
Valley before the high slopes of Mount Shune.

181

00:20:52,910 --> 00:20:55,470

We're getting almost all the data we need.

182

00:20:55,900 --> 00:20:59,510

The man named in heaven
has spoken and agreed with us.

183

00:20:59,910 --> 00:21:02,320

The Righteous, the Empty Seven!

184

00:21:05,610 --> 00:21:08,820

Watch over us, The supreme power!

185

00:21:09,380 --> 00:21:12,380

Let us pay homage to the holy way...

186

00:21:31,130 --> 00:21:34,940

Let us close our eyes
and feel the power.

187

00:21:35,700 --> 00:21:38,490

Let the divine flow within you.

188

00:21:38,491 --> 00:21:41,280

Let the holy wake all of you.

189

00:21:41,610 --> 00:21:44,221

As the divine wheel has ordained.

190

00:21:44,256 --> 00:21:46,958

We have risen from the ashes

191

00:21:46,959 --> 00:21:49,660

from this condition of oppression.

192

00:21:50,020 --> 00:21:51,770

We have come across

193

00:21:52,000 --> 00:21:54,130

But we will seize the crown

194

00:21:54,531 --> 00:21:59,060

And the prophecy shall be fulfilled eye for an eye

195

00:21:59,220 --> 00:22:04,930

Number Two shall know no mercy
at the hands of the Empty Seven.

196

00:22:06,360 --> 00:22:09,840

Prepare for the Final Struggle!

197

00:22:11,140 --> 00:22:14,550

Freedom is in our reach!

198

00:22:16,320 --> 00:22:19,350

The supreme power of God

199

00:22:19,620 --> 00:22:22,360

..shall be ours!

200

00:22:23,900 --> 00:22:27,270

Amen! Have you heard my Brothers!?

Yes

201

00:22:27,660 --> 00:22:31,530

Do you hear the word?

whoo!

202

00:22:34,430 --> 00:22:38,760

Maaan, all these killings are starting to depress me.

203

00:22:40,570 --> 00:22:41,570

Know what I mean? Afro?

204

00:22:46,380 --> 00:22:48,380

Oh! More cold shoulder, huh?

205

00:22:54,900 --> 00:22:57,100

Yo Homes, you walking a little funny?

What's up?

206

00:22:57,690 --> 00:22:58,960

Whoa! What's up?

207

00:23:00,430 --> 00:23:01,700

Was there something in the lemonade?

208

00:23:02,660 --> 00:23:05,470

Oh snap! You f*cked up homes!

209

00:23:05,900 --> 00:23:08,330

Oh look! Oh sh*t! It was one of those damn arrows!

210

00:23:13,810 --> 00:23:16,300

Come on Afro! Snap outta of it man!

Snap outta of it!

211

00:23:19,050 --> 00:23:20,680

He's injured, I can take him.

212

00:23:20,910 --> 00:23:21,400

What?

213

00:23:21,750 --> 00:23:23,650

Hey, hey wait! Wait!

214

00:23:23,880 --> 00:23:24,750

It's too early!

215

00:23:29,520 --> 00:23:29,980

Whoa!

216

00:23:32,930 --> 00:23:36,340

Hey, hey, hey! Could you give a
brother a break?! Yo!

217

00:23:36,760 --> 00:23:41,070

Can't you see the man is down?!
What about Honor, and Fairness, and sh*t!?

218

00:23:50,880 --> 00:23:53,110

Hey, is that a motherf*ckin' RPG?!

219

00:23:54,250 --> 00:23:55,920

You got a motherf*ckin' RPG?!

220

00:23:56,850 --> 00:23:58,820

An RPG in the motherf*ckin' backpack?!

221

00:23:59,020 --> 00:24:01,190

Wait, wait, wait! wait! wait!

Why can't we talk about this?

222

00:24:01,790 --> 00:24:03,760

You're not gonna monologue or
nothin' and get a bad guy speech?

223

00:24:12,370 --> 00:24:14,900

Oh my God! Oh my God! Oh my God!

Oh my God! Oh my God!

224

00:24:26,050 --> 00:24:30,000

That fool! He may have destroyed
the Second Number Two Head Band as well!

225

00:25:22,160 --> 00:25:24,580

AFRO SAMURAI

Episode : 2

226

00:25:26,980 --> 00:25:28,400

You can't get away, kid.

227

00:25:28,441 --> 00:25:30,110

Don't make it hard on yourself.

228

00:25:30,151 --> 00:25:34,110

Be a good boy and hand that Number
Two headband over nice and slow-like...

229

00:25:41,740 --> 00:25:45,630

Stop right there, Kiddo.
You draw that sword and you're dead.

230

00:25:50,820 --> 00:25:52,740

What the hell is with you kid?

231

00:25:53,670 --> 00:25:55,890

You gotta learn to respect your elders.

232

00:25:56,240 --> 00:25:59,300

Lookee here,
now I'm the Number Two warrior.

233

00:25:59,341 --> 00:26:01,790

I'm coming for you, Number One.

234

00:26:01,831 --> 00:26:03,290

What the hell is this?

235

00:26:03,331 --> 00:26:05,230

This kid is really some kind of freak.

236

00:26:05,271 --> 00:26:07,390

He's carrying a rotten head around
in his backpack.

237

00:26:07,580 --> 00:26:08,740

Ew ! Wait a minute!

238

00:26:08,781 --> 00:26:09,850

I know that guy!

239

00:26:09,891 --> 00:26:11,470

Yeah, that's the old Number One.

240

00:26:11,511 --> 00:26:12,760

Yeah you're right.

241

00:26:12,801 --> 00:26:14,360

Here, give it to me.

242

00:26:21,350 --> 00:26:23,070

You want this back kiddo?

243

00:26:24,580 --> 00:26:25,960

Then catch!

244

00:26:33,530 --> 00:26:35,060

Kids these days...

245

00:26:35,101 --> 00:26:37,650

Yeah, they got no respect.

- Yeah, no respect at all.

246

00:27:25,990 --> 00:27:28,980

Hey, wake up! Wake up! Wake up!

247

00:27:30,650 --> 00:27:35,750

Oh sleepyhead! Hey Jinno, you
should come look at this!

248

00:27:35,791 --> 00:27:37,650

Wow, check this out!

249

00:27:37,691 --> 00:27:39,270

Some piece of work.

250

00:27:39,950 --> 00:27:41,740

He won't wake up, Jinno!

251

00:27:42,150 --> 00:27:43,580

What? Whoa!

252

00:27:44,180 --> 00:27:46,850

Master! Master!

253

00:27:49,630 --> 00:27:51,260

The bandits must have got him.

254

00:27:51,301 --> 00:27:55,350

This is bad! Two guys yesterday,
and now a kid.

255

00:27:55,391 --> 00:27:57,360

He is not a morning person.

256

00:28:00,740 --> 00:28:02,750

My God! He's alive!

257

00:28:03,640 --> 00:28:05,990

Master! Master! He's alive!

258

00:28:07,750 --> 00:28:09,300

Mr. Sleepy.

259

00:28:20,450 --> 00:28:21,760

Don't get up yet.

260

00:28:23,660 --> 00:28:26,000

You've been badly wounded and
poisoned.

261

00:28:27,040 --> 00:28:29,320

It will take some time for you to

recover.

262

00:28:33,340 --> 00:28:36,260

We discovered you bleeding on
the river bank.

263

00:28:38,340 --> 00:28:40,020

I am called Okiku.

264

00:28:40,061 --> 00:28:42,440

You must rest, mighty samurai.

265

00:28:48,490 --> 00:28:50,070

I will take care of you.

266

00:28:57,650 --> 00:29:01,400

Don't be alarmed.

Of course we know you're a samurai.

267

00:29:01,730 --> 00:29:05,650

For who else but a samurai could
clutch his sword in a raging river...

268

00:29:05,691 --> 00:29:09,910

While poisoned, unconscious,
and with a broken hand.

269

00:29:11,980 --> 00:29:14,630

Sleep... When you awake,
I'll have a meal prepared.

270

00:29:15,540 --> 00:29:18,580

Damn, you're one lucky dawg, Afro!

271

00:29:25,900 --> 00:29:28,300

You look like a mummy.
- Cut it out, Otsuru.

272

00:29:28,680 --> 00:29:30,540

Do not worry, young Afro.

273

00:29:30,581 --> 00:29:33,640

In my dojo, we are all wounded orphans.

274

00:29:34,910 --> 00:29:36,520

You are among friends.

275

00:29:36,561 --> 00:29:38,100

Treat him well, my students.

276

00:29:38,141 --> 00:29:39,100

Yes Master!

277

00:29:39,120 --> 00:29:43,100

Go! Go! Go!

278

00:29:45,120 --> 00:29:47,100

Strike the ground with yourself.

279

00:29:47,120 --> 00:29:50,100

How can you wield a sword if you can't
dig a hole?

280

00:29:51,120 --> 00:29:53,100

You're mad at the dirt Jinno?

281

00:29:54,120 --> 00:29:57,100

Your body is all stiff. Think less. Relax.

282

00:29:58,120 --> 00:30:01,100

I'll stay calm and constantly flowing.

Like a river.

283

00:30:03,120 --> 00:30:05,100

Cheer up, Afro.

284

00:30:18,740 --> 00:30:21,470

Oh! I see we up!

285

00:30:21,511 --> 00:30:23,360

Think I wasn't gonna find you?

286

00:30:24,320 --> 00:30:28,780

I just took a little R and R but

look at you, boy!

287

00:30:28,821 --> 00:30:35,330

Oh bright eyed and bushy tailed,

fish, flowers, sunshine...

288

00:30:36,020 --> 00:30:39,420

I see somebody getting their little resort on.

HA HA!!!

289

00:30:41,750 --> 00:30:45,560

Hoo, I bet ya that babe will...

wa-wa-what's her name? Okiku!

290

00:30:45,601 --> 00:30:48,050

Bet she tastes a hell of a lot better
than trout!

291

00:30:48,091 --> 00:30:50,310

Don't think I didn't notice her
checking you out?

292

00:30:51,040 --> 00:30:53,290

Huh? Huh? Don't tell me...

293

00:30:53,840 --> 00:30:55,360

You ain't noticed?

294

00:30:55,401 --> 00:30:59,010

This place is bananas! Sh*t.

295

00:31:00,820 --> 00:31:05,330

I'm thinking, sh*t, I'm even gonna
find me a little hottie to go kick it with...

296

00:31:05,371 --> 00:31:10,500

Beats and cold, cool massage...
Get all sweaty...

297

00:31:10,541 --> 00:31:12,240

If ya know what I mean.

298

00:31:12,541 --> 00:31:15,240

She got a friend, maybe we can do an orgy.
Y'know, huh!? Huh!?

299

00:31:15,541 --> 00:31:18,240

Awrightawrightawrightawrightawright, alright.

300

00:31:18,541 --> 00:31:21,240

So you ain't the swinging type! Alright!

301

00:31:23,070 --> 00:31:24,240

I still can get my sex on!

302

00:31:24,541 --> 00:31:27,240

You know gettin' your jimie waxed
might help you recuperate.

303

00:31:28,360 --> 00:31:30,110

All right, all right, you relax.

304

00:31:30,151 --> 00:31:33,220

You wanna do your night solo on
the low-low?

305

00:31:33,261 --> 00:31:36,930

Cool! Don't forget, my cellie's off!

306

00:31:48,360 --> 00:31:50,790

Fresh vegetables! Fresh vegetables!

307

00:31:51,260 --> 00:31:53,820

Not interested kid. Beat it.

308

00:31:55,380 --> 00:31:58,110

No luck today. Let's go home, Afro.

309

00:31:58,680 --> 00:32:01,680

So, 'bout Number Two... Is it true?

310

00:32:02,780 --> 00:32:04,060

That's what they say.

311

00:32:04,101 --> 00:32:06,240

Apparently, he's back in town.

312

00:32:06,281 --> 00:32:08,100

Maybe I'll give it a shot.

313

00:32:08,141 --> 00:32:12,230

Whatever. Like you got what it
takes to be the Number Two warrior
of the world.

314

00:32:22,720 --> 00:32:24,600

What the f*ck?

What's this kid doing here?

315

00:32:25,890 --> 00:32:27,440

Where is the Number Two?

316

00:32:28,310 --> 00:32:28,920

Who?

317

00:32:29,050 --> 00:32:31,670

The Number Two headband, tell
me who has it.

318

00:32:33,510 --> 00:32:35,390

Er, I don't know what you're talking about.

319

00:32:38,800 --> 00:32:40,230

Tell me where he is.

320

00:32:43,480 --> 00:32:45,230

You little c*ck sucker!

321

00:32:48,520 --> 00:32:50,810

You think you're a killer, boy? Huh?

322

00:32:52,320 --> 00:32:54,070

I'll show you a killer.

323

00:33:12,360 --> 00:33:16,060

When you fight to kill, finish the job.

324

00:34:00,000 --> 00:34:01,720

Your supper is ready.

325

00:34:13,500 --> 00:34:14,730

What's the matter?

326

00:34:20,300 --> 00:34:21,650

Thanks for everything.

327

00:34:22,730 --> 00:34:24,180

You're leaving?

328

00:34:25,010 --> 00:34:26,180

Tomorrow.

329

00:34:29,790 --> 00:34:32,610

Please, keep it for your travels.

330

00:34:36,160 --> 00:34:37,350

Thank you.

331

00:34:40,370 --> 00:34:42,190

Will you not stay with me?

332

00:34:42,780 --> 00:34:44,790

For just, one more day?

333

00:34:45,750 --> 00:34:48,680

There'll be a summer festival
tomorrow night at the village below.

334

00:34:51,130 --> 00:34:52,980

If it's not too much to ask.

335

00:34:53,021 --> 00:34:55,720

Will you stay and watch the
fireworks with me?

336

00:35:01,270 --> 00:35:02,750

Foolish boy!

337

00:35:02,791 --> 00:35:05,070

Never speak to me of such things
again!

338

00:35:05,111 --> 00:35:08,250

Games of power or revenge, they
lead to nothing!

339

00:35:08,750 --> 00:35:11,960

Do you really know what it
means to be the Number Two?

340

00:35:12,001 --> 00:35:14,520

It is a life of murder.

341

00:35:16,440 --> 00:35:19,680

We are born men in order to live,
not to kill.

342

00:35:19,721 --> 00:35:21,420

You must break the chain.

343

00:35:21,461 --> 00:35:24,360

Only then can we be free of this
terrible cycle.

344

00:35:33,461 --> 00:35:34,360

What is this?

345

00:35:35,461 --> 00:35:36,360

Swampwater.

346

00:35:37,461 --> 00:35:38,360

Just try it.

347

00:35:40,360 --> 00:35:41,360

Will it put hair on my chest?

348

00:35:42,360 --> 00:35:44,360

Eww. eww! Taste like crap!

349

00:35:45,360 --> 00:35:46,360

Here Afro, you try it.

350

00:35:49,360 --> 00:35:50,360

ewwww...

351

00:35:55,360 --> 00:35:57,360

This boy's the only one with real taste.

352

00:35:57,560 --> 00:35:58,360

Can I have some more?

353

00:35:59,360 --> 00:36:02,360

Is he for real!

Afro, you don't have to be polite.

354

00:36:07,360 --> 00:36:13,360

It's like I always say, if heaven could
be bottled, it just might taste like my
lemonade.

355

00:36:15,360 --> 00:36:16,360

Le.. na.. mode?

356

00:36:17,360 --> 00:36:18,360

Lemonade...

357

00:36:18,560 --> 00:36:19,360

Lemonade.

358

00:36:19,560 --> 00:36:20,360

Jinno - Lemonade.

359

00:36:20,560 --> 00:36:21,360

Otsuru - Lemonade

360

00:36:36,850 --> 00:36:41,290

Yes. Yes.

No, I need more time.

361

00:36:42,060 --> 00:36:43,760

I haven't acquired that data yet.

362

00:36:44,510 --> 00:36:46,660

What I do have has been
downloaded onto my cellphone.

363

00:36:47,490 --> 00:36:50,700

Yes. Yes. Understood.

364

00:37:10,410 --> 00:37:11,600

Sorry.

365

00:37:15,880 --> 00:37:16,810

Okiku.

366

00:37:17,410 --> 00:37:18,520

Are you there?

367

00:37:18,830 --> 00:37:19,940

Yes.

368

00:37:20,110 --> 00:37:22,350

What is the matter, disciple Okiku?

369

00:37:22,620 --> 00:37:24,640

Nothing.

Everything will be taken care of.

370

00:37:30,990 --> 00:37:33,280

Yes, hello, Brother Two here.

371

00:37:37,990 --> 00:37:39,280

Yo yo yo yo yo, Afro.

372

00:37:39,321 --> 00:37:40,880

Can I ask you something?

373

00:37:41,370 --> 00:37:43,710

I know you cast away your feelings

and all...

374

00:37:43,751 --> 00:37:47,050

But does that mean casting

away your manhood too?

375

00:37:47,940 --> 00:37:52,050

Hoo my massage don't get
much better than no girl...

376

00:37:52,091 --> 00:37:57,220

She's sweet, pretty, knows a first
aid, can brawl a mean fish dinner!

377

00:37:58,310 --> 00:38:00,650

I call that practically marriage material.

378

00:38:01,090 --> 00:38:02,730

Come on now, confess.

379

00:38:02,771 --> 00:38:04,940

You wanna hit that booty.

380

00:38:05,970 --> 00:38:08,070

I just wanna see my boy happy, you know.

381

00:38:09,200 --> 00:38:13,850

Seriously man! Now don't you think there's
something vaguely familiar about that woman?

382

00:38:14,730 --> 00:38:18,040

Look. If you ain't gonna
knock them boots, I will.

383

00:38:21,150 --> 00:38:22,040

Go on then.

384

00:38:33,580 --> 00:38:34,570

Care for some?

385

00:38:37,610 --> 00:38:39,590

It's lemonade. Do you like it?

386

00:38:40,570 --> 00:38:41,350

I do.

387

00:38:42,380 --> 00:38:43,580

I'm glad.

388

00:38:45,720 --> 00:38:47,170

Oh, they're beautiful.

389

00:38:48,410 --> 00:38:51,900

This is my favorite time of the
year, fireworks and the festivities.

390

00:38:52,890 --> 00:38:54,980

The people coming and going.

391

00:38:55,021 --> 00:38:57,500

Everyone just simply having a good time.

392

00:38:58,720 --> 00:39:01,580

May I ask where you're traveling to,
mighty samurai?

393

00:39:03,610 --> 00:39:04,620

East.

394

00:39:05,350 --> 00:39:06,340

East.

395

00:39:12,450 --> 00:39:15,180

Oh, don't you love the sky, they're
my favorite.

396

00:40:32,250 --> 00:40:34,180

It's all because of you!

397

00:41:07,140 --> 00:41:10,610

Forgive me ! I've become
a ninja of the Empty Seven clan!

398

00:41:10,651 --> 00:41:13,710

I've been siphoning your
memories to copy your sword skills.

399

00:41:13,870 --> 00:41:17,080

But I can't.
I can't do it anymore.

400

00:41:17,480 --> 00:41:21,400

Tell me you're still that same boy
from those wonderful times so long ago.

401

00:41:21,970 --> 00:41:23,400

Get out of my way.

402

00:41:24,070 --> 00:41:25,400

Otsuru.

403

00:41:33,080 --> 00:41:34,240

Run Afro!

404

00:41:43,340 --> 00:41:44,520

Otsuru!

405

00:41:48,640 --> 00:41:52,340

You f*ckin' whore! This is the price
you pay for your betrayal.

406

00:41:53,430 --> 00:41:54,500

The data...

407

00:42:08,290 --> 00:42:10,210

We have obtained the data!

408

00:42:14,430 --> 00:42:16,010

That's enough, Brother Six!

409

00:42:16,051 --> 00:42:16,930

We are leaving!

410

00:42:38,730 --> 00:42:39,970

Damn shame, ain't it?

411

00:42:40,011 --> 00:42:44,260

Just when you start getting your
groove on, sh*t always gotta get
killed, burnt down, or whatever!

412

00:42:44,950 --> 00:42:47,400

Hey, ya know your afro got a little
scorched there, homie?

413

00:42:48,370 --> 00:42:49,610

You listening to me?

414

00:42:54,260 --> 00:42:56,390

Ha! Man, you really are a cold-blooded
motherf*cker!

415

00:42:57,960 --> 00:43:04,110

Hey, how about we keep this little a...
momento of your lady friend, huh?

416

00:43:22,980 --> 00:43:27,010

You have the basic skills,
but your eyes give you away.

417

00:43:29,500 --> 00:43:33,860

Become unpredictable, strike
from your subconscious mind,

418

00:43:33,860 --> 00:43:37,860

Let your moves flow out from
your individual essence.

419

00:43:55,170 --> 00:43:58,650

I do not like the looks of that thing.

420

00:43:58,650 --> 00:44:00,570

See that smoke goes'ing out?

421

00:44:00,570 --> 00:44:02,070

It ain't natural.

422

00:44:05,490 --> 00:44:10,160

What I'm sayin' is, this b*tch, just
one thunder from her, she can blow!

423

00:44:10,160 --> 00:44:12,160

That's the end of your 'fro, bro'!

424

00:44:12,160 --> 00:44:13,120

Bam!

425

00:44:16,950 --> 00:44:21,190

By the way, I'm trying to
imagine you without a 'fro.

426

00:44:21,190 --> 00:44:23,370

Think you look cute with little braids on.

427

00:44:27,430 --> 00:44:28,930

Wow, hey hey hey hey...

428

00:44:28,930 --> 00:44:29,680

Hey.

429

00:44:35,390 --> 00:44:36,210

Shut up.

430

00:44:40,720 --> 00:44:41,810

Hey, hey, hey. Hey.

431

00:44:41,810 --> 00:44:46,070

Don't tell me you stupid enough to just
waltz through that rear gate, is you?

432

00:44:46,070 --> 00:44:47,630

'Cuz you know it's a trap, right?

433

00:44:48,080 --> 00:44:49,770

You ain't that stupid, right?

434

00:44:52,160 --> 00:44:52,920

Right?

435

00:44:52,920 --> 00:44:54,170

Right? Right.

436

00:44:54,880 --> 00:44:57,520

Hey hey hey hey hey hey hey hey. Com'on.

437

00:45:05,140 --> 00:45:07,120

You don't believe me!

Well fine.

438

00:45:07,140 --> 00:45:10,520

Go ahead, die for that stupid

Number One headband.

439

00:45:11,140 --> 00:45:13,520

Damn! You stubborn man!

440

00:45:15,370 --> 00:45:19,200

You really ain't gonna let nothin' stop
you until you get to the top this mountain
and kill Number One, is you?

441

00:45:20,470 --> 00:45:24,760

Oh, he did, he did- he did cut your dad's
head off, I get that... I'd be pissed too.

442

00:45:24,760 --> 00:45:27,760

But this road ain't the safe way man!

443

00:45:27,760 --> 00:45:31,460

I'm more than willing to watch your pighead roll.

444

00:45:33,890 --> 00:45:35,650

This is Brother 2.

445

00:45:35,650 --> 00:45:38,530

The Number Two has crossed Terror Pass.

446

00:45:38,530 --> 00:45:41,450

Excellent.

Continue to monitor his movement.

447

00:45:45,150 --> 00:45:46,510

Dear Brothers.

448

00:45:46,510 --> 00:45:50,940

It seems that our long awaited day has arrived!

449

00:45:50,940 --> 00:45:56,800

Our prayers like paved stone
has led us to the door of the Number One.

450

00:45:56,800 --> 00:46:04,700

But to do this, we must first seize the
Number Two by destroying the Afro Samurai.

451

00:46:05,060 --> 00:46:06,340

[Clapping]

452

00:46:06,460 --> 00:46:08,870

Shall we commence, dear Brothers?

453

00:46:18,550 --> 00:46:20,100

Brothers!

454

00:46:20,100 --> 00:46:22,860

Let me introduce our latest weapon.

455

00:46:22,860 --> 00:46:26,320

It possesses a physical strength 20%
greater than the current Number Two.

456

00:46:27,210 --> 00:46:30,880

I originally intended to apply
this weapon against Number One.

457

00:46:30,880 --> 00:46:33,970

But since we encountered sudden miscalculations...

458

00:46:33,970 --> 00:46:37,310

We will first use it to defeat the Number Two.

459

00:46:37,310 --> 00:46:41,320

A battle that will surely
provide superb entertainment.

460

00:46:41,320 --> 00:46:45,150

There exists a man on this earth
with the skills of Number Two?

461

00:46:45,150 --> 00:46:47,240

Where could you find such a man?

462

00:46:47,240 --> 00:46:49,330

Not a man, Brother, a thing.

463

00:46:49,330 --> 00:46:51,870

Explain more, Brother 1.

464

00:46:51,870 --> 00:46:57,320

I have accessed our finest scientific resources
to build a thing that is more than man.

465

00:46:57,320 --> 00:47:01,340

He is a demon-machine with
a special surprise on the inside.

466

00:47:01,340 --> 00:47:06,550

The skills stored deep inside of him was
extracted from Afro's dreams by Okiku.

467

00:47:07,610 --> 00:47:11,470

May God rest her troubled soul.

468

00:47:11,470 --> 00:47:13,530

Has the data been tested yet?

469

00:47:13,530 --> 00:47:16,140

Do you question me, Brother 6?

470

00:47:16,140 --> 00:47:18,460

Does one question faith?

471

00:47:18,460 --> 00:47:22,480

Observe and I will make you a believer.

472

00:47:25,180 --> 00:47:26,190

Brethren.

473

00:47:26,190 --> 00:47:30,360

I'm proud to welcome
a new disciple into our fold.

474

00:47:30,360 --> 00:47:36,940

Rise to greet our most
deadly weapon, Afro-Droid!

475

00:47:50,460 --> 00:47:51,690

Damn!

476

00:47:56,590 --> 00:47:58,510

Afro-Droid.

477

00:47:58,510 --> 00:47:59,930

Ain't he lovely?

478

00:47:59,930 --> 00:48:04,990

It took millions of man-hours,
just to build his head...

479

00:48:04,990 --> 00:48:06,730

This thing ain't nothin'.

480

00:48:06,730 --> 00:48:14,480

Many more technological breakthroughs
to manufacture his body.

481

00:48:14,850 --> 00:48:16,370

Can you dig it?

482

00:48:16,370 --> 00:48:17,120

Yeah!

483

00:48:17,120 --> 00:48:18,450

Then let's get busy !

484

00:48:18,520 --> 00:48:20,250

AFRO-DROID VS. All Assassins

485

00:48:33,520 --> 00:48:36,250

Winner: AFRO-DROID

486

00:48:58,150 --> 00:48:59,661

What the hell is this?

487

00:49:01,950 --> 00:49:05,060

OH HELL NO!

488

00:49:05,060 --> 00:49:09,010

Hey hey Aa Aa, Afro, wa wait, wait!

489

00:49:09,011 --> 00:49:10,540

This sh*t ain't even natural!

490

00:49:10,540 --> 00:49:11,949

I say we take the long way home.

491

00:49:11,950 --> 00:49:13,610

We can circle back around!

492

00:49:14,610 --> 00:49:17,200

You know, so what, we lose a
few days? Com'on!

493

00:49:18,201 --> 00:49:19,520

I'll see you then.

494

00:49:19,620 --> 00:49:20,160

Sh*t man !

495

00:49:21,160 --> 00:49:23,950

He like a f*cking clone and sh*t!

496

00:49:24,130 --> 00:49:27,950

Com'on man! Ok, now my ninja
guts tellin' me he's a mean one.

497

00:49:27,951 --> 00:49:29,220

So don't go any nearer.

498

00:49:29,950 --> 00:49:31,010

Hey! You listening to me?

499

00:49:31,950 --> 00:49:33,949

AFRO-DROID VS. AFRO SAMURAI

500

00:49:42,950 --> 00:49:44,760

Oh my God, oh my God!

501

00:49:52,630 --> 00:49:53,700

Hey, he's trying to copy you!

502

00:49:56,620 --> 00:49:58,420

Hold up! That is you!

503

00:49:58,420 --> 00:50:00,200

Wait a minute!

Wha Wha...

504

00:50:00,420 --> 00:50:01,200

Which one is you?

505

00:50:04,950 --> 00:50:06,950

Oh No! Which one is you?!

506

00:50:25,620 --> 00:50:27,230

That's you, ain't it?

507

00:50:27,230 --> 00:50:28,650

You're bleeding, bro!

508

00:50:28,650 --> 00:50:29,830

Wait a minute! Hold up, hold up!

509

00:50:29,830 --> 00:50:31,000

Prove to me that you're you.

510

00:50:31,000 --> 00:50:32,330

Say something to lemme know it's you.

511

00:50:32,330 --> 00:50:34,100

Shut up.

512

00:50:34,100 --> 00:50:35,680

Oh, it is you!

513

00:50:35,680 --> 00:50:37,340

Listen, it's over back there, man.

514

00:50:42,840 --> 00:50:44,800

Oh Afro!

515

00:50:46,790 --> 00:50:49,890

Damn Afro ! I hate to say this
man, but you losing man!

516

00:50:49,890 --> 00:50:50,860

Bad!

517

00:50:52,320 --> 00:50:53,580

Hey!

518

00:50:53,580 --> 00:50:55,770

Maybe we better back off.

519

00:50:55,770 --> 00:50:58,590

Or you gonna lose that headband.

520

00:50:58,590 --> 00:51:02,550

Damn! This motherf*cker knows
your next move before you make it.

521

00:51:04,110 --> 00:51:07,560

It's like me watching Afro watching
Afro fightin' Afro or something!

522

00:51:07,580 --> 00:51:11,200

What happens when your

reflection moves faster than you?

523

00:51:12,200 --> 00:51:12,809

Something amazing.

524

00:51:12,810 --> 00:51:16,240

That's what happens.

525

00:51:16,240 --> 00:51:20,910

We shall finally see the wrath
of hell's fire turn up on itself.

526

00:51:29,960 --> 00:51:32,349

That ain't gonna work
either man! Don't do it!

527

00:51:39,580 --> 00:51:41,360

Yo yo yo! Stop thinking Afro!

528

00:51:41,361 --> 00:51:43,300

He's reading your mind!

529

00:51:43,301 --> 00:51:44,350

Ahhh! Help!

530

00:51:52,350 --> 00:51:54,690

Now Afro-Droid! Go in for a kill.

531

00:52:05,520 --> 00:52:09,900

Swordmaster: Become unpredictable,
strike from your subconscious mind,

532

00:52:09,901 --> 00:52:13,850

let your moves flow out from your
individual essence.

533

00:52:13,851 --> 00:52:20,349

Even the most masterful opponent will fall
from a strike that has no history or reference.

534

00:52:18,880 --> 00:52:26,850

The moves created from your own
individual unique essence may
surprise even you.

535

00:53:13,420 --> 00:53:16,560

Whoa! Attaboy! You did it Afro!

536

00:53:16,561 --> 00:53:18,350

Now, come help me up!

537

00:53:21,330 --> 00:53:23,399

Hey yo, you forget me, wait up!

538

00:53:23,400 --> 00:53:25,800

My hand's getting numb!

539

00:53:25,801 --> 00:53:28,770

This is what we get for
relying on Okiku's data.

540

00:53:46,090 --> 00:53:47,349

Damn it, Brother 6!

541

00:53:47,350 --> 00:53:49,350

This' the kind of sh*t I will not tolerate!

542

00:53:50,450 --> 00:53:51,910

Where am I?

543

00:53:51,910 --> 00:53:53,120

Oh, so we made it, huh?

544

00:53:53,950 --> 00:53:54,940

We made it!

545

00:53:54,940 --> 00:53:56,210

We made it!

546

00:53:57,080 --> 00:53:59,510

Yo! Afro!

547

00:53:59,510 --> 00:54:01,510

You tried to ditch me, didn't ya?

548

00:54:01,510 --> 00:54:03,510

I really thought I was gonna die.

549

00:54:03,510 --> 00:54:05,510

Hey, you still going on?

550

00:54:05,510 --> 00:54:08,190

Ain't you had enough
punishment for one day?

551

00:54:08,190 --> 00:54:10,610

Afro, you gotta listen to me!

552

00:54:10,610 --> 00:54:13,420

Man, you don't know what these
crazy monks got under their skirt!

553

00:54:15,560 --> 00:54:16,990

Wait, damn it!

554

00:54:16,990 --> 00:54:18,640

Don't you ever plan nothing?

555

00:54:46,990 --> 00:54:48,640

[Asian Greeting]

556

00:55:12,490 --> 00:55:17,350

Even though you are wounded,
expect no mercy from me.

557

00:55:20,250 --> 00:55:22,350

Don't hold back, n*gga !

This dude's a meanie.

558

00:55:23,040 --> 00:55:25,280

Kick his ass.

559

00:55:29,030 --> 00:55:31,550

Careful man ! You slip up with
this one and you're a dead man!

560

00:55:52,220 --> 00:55:54,260

Yes! Ahhh!

561

00:56:00,730 --> 00:56:03,230

H-H-He's psycho, man!

562

00:56:03,230 --> 00:56:06,290

I will leave the rest to you...

563

00:56:07,230 --> 00:56:08,380

My Brothers.

564

00:56:08,380 --> 00:56:08,860

What?

565

00:56:09,730 --> 00:56:10,480

No way!

566

00:56:16,490 --> 00:56:18,420

He's truly a Warrior Legend.

567

00:56:18,420 --> 00:56:21,160

Almost too magnificent to kill.

568

00:56:28,680 --> 00:56:31,320

You won't have your sword back
that easily.

569

00:56:31,320 --> 00:56:32,780

You're nothing without a blade.

570

00:56:35,800 --> 00:56:36,920

Brother 5!

571

00:56:36,920 --> 00:56:38,130

You have been too careless.

572

00:56:41,900 --> 00:56:43,750

Get off, Brother 5!

573

00:56:58,060 --> 00:57:00,300

Now what the hell is this?

574

00:57:00,300 --> 00:57:02,360

Do we really gotta keep going?

575

00:57:02,360 --> 00:57:06,650

I mean, this sh*t you

leave behind you is nasty.

576

00:57:08,210 --> 00:57:09,660

Do as you please.

577

00:57:09,660 --> 00:57:11,800

Jesus, you crazy, man.

578

00:57:21,280 --> 00:57:25,430

It's a pity I have to do this,
but the Number Two warrior must die.

579

00:57:25,430 --> 00:57:27,160

No matter what it takes.

580

00:57:27,160 --> 00:57:28,100

Uh?

581

00:58:09,540 --> 00:58:10,270

What the?

582

00:58:29,320 --> 00:58:32,530

Yo, I know that dude!
I thought you iced him already.

583

00:58:32,530 --> 00:58:34,310

He's that motherf*cking machine!

584

00:58:34,310 --> 00:58:35,860

This' some crazy sh*t, man!

585

00:58:51,310 --> 00:58:54,530

AFRO-DROID v2.0

586

00:59:42,990 --> 00:59:44,590

He dead yet?

587

00:59:44,591 --> 00:59:45,530

You dead yet?

588

01:01:21,300 --> 01:01:23,930

AFRO-DROID v2.0 - Danger, Danger, Danger!

589

01:01:39,310 --> 01:01:41,810

Hey man! Where ya been?

590

01:01:55,960 --> 01:01:59,410

Stay down, motherf*cker, stay down!

591

01:02:04,300 --> 01:02:05,930

He ain't dead yet!

592

01:02:12,000 --> 01:02:13,560

Oh com'on man!

Now it ain't even fair!

593

01:02:13,560 --> 01:02:17,740

We gotta come this far just

to look down the barrel of that sh*t?

594

01:02:48,280 --> 01:02:50,770

That felt... good.

595

01:02:53,650 --> 01:02:56,080

I think he blew his load.

596

01:02:56,080 --> 01:03:02,200

Man, I bet all that skill is stored in this

little chip. And such a cute little chip too.

597

01:03:10,090 --> 01:03:12,230

Oh sh*t, man!

598

01:03:17,960 --> 01:03:19,000

I ain't going!

599

01:03:19,890 --> 01:03:21,810

Listen man. That's it for me.

600

01:03:21,810 --> 01:03:26,230

I've seen some sights today
ain't no one supposed to see.

601

01:03:26,230 --> 01:03:27,650

So that's it. I ain't...

602

01:03:27,650 --> 01:03:29,250

Shut up.

603

01:03:38,520 --> 01:03:42,490

Wow ! This thing goes any faster,
my head's gonna stick in body like
a damn turtle.

604

01:03:43,420 --> 01:03:46,180

Youth, completely overrated.

605

01:03:46,180 --> 01:03:50,530

Nothing will stop my mission of
obtaining the Number One headband.

606

01:03:50,530 --> 01:03:54,040

Especially not some damn samurai!

607

01:04:16,910 --> 01:04:20,960

Just when I thought things
couldn't get any weirder.

608

01:04:20,960 --> 01:04:25,580

What the hell is that supposed to be?

609

01:04:26,740 --> 01:04:30,310

Long time, no see, Afro Samurai.

610

01:04:49,800 --> 01:04:51,890

Ooooh, watch it!

611

01:04:52,670 --> 01:04:55,560

He about to bust a two
sword move on you.

612

01:05:00,640 --> 01:05:02,490

Oh, watch ya left, man.

613

01:05:03,000 --> 01:05:04,700

No no no no no, watch ya right!

614

01:05:05,310 --> 01:05:07,660

Why do you not draw
out your sword?

615

01:05:07,660 --> 01:05:12,270

If you want the Number
One, you must first defeat me.

616

01:05:13,680 --> 01:05:17,670

You have come to defeat
the Number One, haven't you?

617

01:05:21,470 --> 01:05:24,890

If you wear the Number Two
band, then you must fight.

618

01:06:38,850 --> 01:06:40,130

' the hell?

619

01:06:45,400 --> 01:06:48,600

Perhaps the rumors of the
Afro Samurai are not true,

620

01:06:48,600 --> 01:06:50,700

That he cuts all that
stand in his path,

621

01:06:50,700 --> 01:06:52,700

That his only
movement is forward.

622

01:06:57,060 --> 01:07:00,870

But you just look like
an afro headed coward!

623

01:07:03,540 --> 01:07:09,070

Come to think of it, I can't even take a
warrior with such stupid hair seriously!

624

01:07:34,350 --> 01:07:35,590

Afro!

625

01:07:35,590 --> 01:07:37,150

What the dealio B'?

626

01:07:37,150 --> 01:07:38,930

If you gonna run, run!

627

01:07:38,930 --> 01:07:40,890

If you gonna fight,
then damnit, fight!

628

01:08:14,891 --> 01:08:17,380

Such a fleeting moment in time...

629

01:08:18,270 --> 01:08:19,610

Nothing remains,

630

01:08:19,610 --> 01:08:21,110

Everything ends!

631

01:08:34,350 --> 01:08:35,250

One!

632

01:08:35,350 --> 01:08:39,350

There is no such thing as killing
with strength or speed only.

633

01:08:40,350 --> 01:08:44,350

Kill the enemy with one calm, powerful stroke.

634

01:08:44,650 --> 01:08:45,550

Two.

635

01:08:45,650 --> 01:08:50,650

The only form is action. Striking without
thought is the only way to kill the enemy.

636

01:08:56,650 --> 01:08:57,650

Stop!

637

01:08:59,650 --> 01:09:00,650

Listen.

638

01:09:01,650 --> 01:09:03,650

The point of dueling is to kill
your enemy.

639

01:09:04,650 --> 01:09:07,650

Not twisting and turning, demonstrating
flowery form.

640

01:09:08,150 --> 01:09:10,650

The only position is no position.

641

01:09:11,150 --> 01:09:16,650

Where you hold your sword depends
on your relationship with your opponent
on the terrain and the situation.

642

01:09:17,650 --> 01:09:19,650

Act as the sea when the enemy
is like the mountain.

643

01:09:20,150 --> 01:09:22,650

Act as the mountain when the enemy
is like the sea.

644

01:09:23,650 --> 01:09:25,650

Keep this in mind, all of you.

645

01:09:25,651 --> 01:09:26,650

Yes Master!

646

01:09:27,150 --> 01:09:30,650

Real attacks are not static or with
cooperative opponents.

647

01:09:31,150 --> 01:09:34,650

Stick with the moves you've
learned in class and you will die.

648

01:09:35,150 --> 01:09:39,650

Even a glancing blow can unbalance

your opponent and cripple his next
offensive.

649

01:09:48,740 --> 01:09:49,720

Hey, Jinno.

650

01:09:49,720 --> 01:09:50,720

I have a question.

651

01:09:51,040 --> 01:09:53,350

Why do you use two
swords instead of one?

652

01:09:53,720 --> 01:09:55,690

With two I can be
the best, Otsuru.

653

01:09:56,380 --> 01:09:58,330

See, there're
lots of reasons.

654

01:09:58,330 --> 01:10:01,900

For example, it's great if you ever

have to fight more than one opponent
at a time.

655

01:10:02,330 --> 01:10:06,900

You see, with two smaller blades,
I can swing faster than a guy with
both hands on one big sword.

656

01:10:06,900 --> 01:10:09,310

And I can attack and
defend at the same time.

657

01:10:09,310 --> 01:10:12,780

I could even fight if one of my arms got
cut off, 'cause I'd still have one left.

658

01:10:12,780 --> 01:10:15,150

It's really the ultimate fighting style.

659

01:10:15,151 --> 01:10:16,150

Hmm?

660

01:10:16,310 --> 01:10:19,220

Oops, sorry. Guess I
got a little carried away.

661

01:10:19,720 --> 01:10:21,380

I'm... done.

662

01:10:21,380 --> 01:10:23,650

Was your meal yummy Afro?

663

01:10:29,730 --> 01:10:31,420

Jinno.

664

01:10:32,360 --> 01:10:36,160

You're really serious about
sword fighting, aren't you?

665

01:10:36,130 --> 01:10:38,370

Of course.

I have to protect everyone.

666

01:10:38,680 --> 01:10:41,650

You. Afro.

All the students here.

667

01:10:42,150 --> 01:10:45,080

When Sword Master
is too old to fight,

668

01:10:45,080 --> 01:10:48,740

I'm gonna have to be strong
enough to look after this place.

669

01:11:04,650 --> 01:11:10,070

I heard some pip-squeak's been
running loose, killing assassins.

670

01:11:10,650 --> 01:11:15,630

That pip-squeak wouldn't happen
to be a kid like this one we've got
here, would it?

671

01:11:15,630 --> 01:11:17,650

I think we got a match here, boys.

672

01:11:17,650 --> 01:11:19,900

Eh, pip-squeak?

673

01:11:20,760 --> 01:11:22,020

Wanna know where I
can find the Number Two.

674

01:11:22,020 --> 01:11:24,490

Dunno nuthin' about it.

675

01:11:24,650 --> 01:11:27,660

So what're you gonna
do about that?

676

01:11:27,760 --> 01:11:31,130

'Cause you see, we're
on the same path, kid.

677

01:11:31,130 --> 01:11:34,590

Rumors of the Number
Two led us to this dump.

678

01:11:35,650 --> 01:11:38,900

And we can't have no
kid chasing our prize.

679

01:12:00,470 --> 01:12:01,380

Afro!

680

01:12:03,880 --> 01:12:04,690

Jinno!

681

01:12:04,690 --> 01:12:06,690

What have you gotten yourself into?

682

01:12:08,020 --> 01:12:11,790

Okay, you and I are

gonna talk about this later.

683

01:12:13,780 --> 01:12:16,560

But first, I gotta

save your dumbass.

684

01:12:34,250 --> 01:12:35,250

You son of a-

685

01:12:50,710 --> 01:12:51,660

Afro!

686

01:13:14,920 --> 01:13:16,260

Tell me what you know!

687

01:13:16,260 --> 01:13:17,790

Where's the Number Two?

688

01:13:18,490 --> 01:13:22,800

Number Two... is quite near...

689

01:13:40,650 --> 01:13:43,100

Oh, it's you again.

690

01:13:43,450 --> 01:13:45,400

There you go, sonny.

691

01:13:47,850 --> 01:13:51,870

You just can't get enough

lemonade, can you?

692

01:13:53,300 --> 01:13:54,240

Afro.

693

01:13:55,550 --> 01:13:57,430

Forget avenging your father.

694

01:13:58,280 --> 01:14:00,650

Live your own life.

695

01:14:03,120 --> 01:14:06,650

Otsuru cares about you,

I care about you.

696

01:14:06,570 --> 01:14:08,650

We're your family now.

697

01:14:12,650 --> 01:14:13,650

Look at that.

So beautiful.

698

01:14:15,650 --> 01:14:16,650

Wow.

Oh man.

699

01:14:17,150 --> 01:14:20,150

Say, you reckon I could be as strong as Master?

700

01:14:21,150 --> 01:14:24,150

With your skills Sasuke?

I'd say it'll take at least 50 years.

701

01:14:25,150 --> 01:14:26,150

50 years!

702

01:14:29,150 --> 01:14:31,150

Whoa! Check out that one!

703

01:14:31,650 --> 01:14:33,150

To get as strong as Master takes
time.

704

01:14:33,650 --> 01:14:36,150

His training must've been a
100 times harder than ours.

705

01:14:37,150 --> 01:14:43,150

Man! I could be dead in 50 years.

Or even worse than that, old.

706

01:14:43,650 --> 01:14:48,150

Dead. Man, Sasuke. Why do you
always have to be so dang morbid?

707

01:14:48,151 --> 01:14:50,150

He is right in a way though.

708

01:14:50,650 --> 01:14:55,150

I mean we can't know for sure if
any of us will be around 50 years
from now.

709

01:14:55,151 --> 01:14:57,150

Or even, 10 years from now.

710

01:14:57,151 --> 01:15:01,150

So there's no use in worrying about
being as good as the Sword Master.

711

01:15:01,650 --> 01:15:08,150

That's why you always have to
live and fight like it's your last day
or eat like it's your last meal.

712

01:15:10,150 --> 01:15:15,050

Wow. Cool. Wow. That is so bright!

713

01:15:15,051 --> 01:15:19,150

Man, I sure hope my last meal
has lots of mushrooms in it.

714

01:15:19,150 --> 01:15:23,150

I want my last meal to be absolutely
smothered in chili peppers.

715

01:15:23,650 --> 01:15:26,650

Oh man. I could go for a chicken
cutlet.

716

01:15:29,150 --> 01:15:31,650

Afro, what about you? What do
you want?

717

01:15:36,650 --> 01:15:39,050

Afro wants linamode. Right Afro?

718

01:15:39,150 --> 01:15:43,150

Otsuru, it's lemonade, not linamode.

719

01:15:44,650 --> 01:15:48,150

That's not a meal Otsuru. Huh?

It's ok.

720

01:15:48,151 --> 01:15:50,150

What would you like on your last
day?

721

01:15:53,150 --> 01:15:57,150

I want those! Those fireworks
are my favorite kind.

722

01:16:13,320 --> 01:16:14,520

Good day, sir.

723

01:16:15,060 --> 01:16:17,350

Well, hello there.

724

01:16:17,350 --> 01:16:19,700

Thank you always for
your kind business with us.

725

01:16:20,890 --> 01:16:24,120

Say, that Sword Master of yours...

726

01:16:24,120 --> 01:16:25,620

Is he alright?

727

01:16:25,620 --> 01:16:26,490

Huh?

728

01:16:27,600 --> 01:16:32,960

On the festival evening, I heard
that some rogue tried to start up
a fight with him.

729

01:16:32,960 --> 01:16:35,080

There are some odd
talks around the town.

730

01:16:35,080 --> 01:16:40,990

That some sword dojo master is the
owner of the Number Two headband...

731

01:16:40,990 --> 01:16:46,040

And they say that his students have
been brainwashed to be watchdogs.

732

01:16:46,620 --> 01:16:49,170

What? Our Sword
Master wouldn't!

733

01:16:49,170 --> 01:16:51,090

Sorry! Sorry.

I didn't mean to...

734

01:16:51,620 --> 01:16:54,100

I mean there are plenty of other
Sword Masters everywhere,

735

01:16:54,100 --> 01:16:55,500

So it must be some other man.

736

01:17:12,170 --> 01:17:13,160

Jinno.

737

01:17:13,160 --> 01:17:14,350

Did I wake you?

738

01:17:15,460 --> 01:17:17,110

You should get some rest.

739

01:17:17,530 --> 01:17:18,460

Master...

740

01:17:19,140 --> 01:17:20,580

I smell blood.

741

01:17:21,970 --> 01:17:25,880

I was attacked, but that

fool lost his life instead.

742

01:17:50,830 --> 01:17:51,850

Sasuke.

743

01:17:54,620 --> 01:17:55,690

Jinno.

744

01:18:07,160 --> 01:18:07,930

Afro.

745

01:18:19,280 --> 01:18:22,650

On this day, we commemorate
your graduation.

746

01:18:22,650 --> 01:18:25,240

You are now great warriors.

747

01:18:25,240 --> 01:18:28,190

Use wisely the sword
skills you have acquired.

748

01:18:28,760 --> 01:18:29,640

Master.

749

01:18:30,970 --> 01:18:32,030

Yes, Afro?

750

01:18:32,600 --> 01:18:34,730

There is something

I would like to know.

751

01:18:35,150 --> 01:18:35,990

Afro.

752

01:18:38,690 --> 01:18:40,780

Are you really Number Two?

753

01:18:41,810 --> 01:18:42,780

Afro.

754

01:18:44,760 --> 01:18:48,010

After the midnight, before
the Boul'Árree Tree, I will be waiting.

755

01:19:03,750 --> 01:19:08,900

I meant to take the secret to the
grave, but I see I have no choice.

756

01:19:08,900 --> 01:19:11,110

Choose, Afro Samurai!

757

01:19:11,110 --> 01:19:12,430

Forget revenge...

758

01:19:13,920 --> 01:19:18,250

Or fight me to the death for
the Number Two headband!

759

01:19:20,350 --> 01:19:22,900

But know you well this truth.

760

01:19:22,900 --> 01:19:26,230

If you win, you
will know no friend.

761

01:19:26,230 --> 01:19:28,350

No joy. No love.

762

01:19:29,220 --> 01:19:37,230

Only the murderous violence the Number
Two headband incites in the heart of every

man who desires the power of the Number One.

763

01:19:38,150 --> 01:19:41,150

Truly, can you
handle that burden?

764

01:19:42,720 --> 01:19:44,190

Afro!

765

01:19:44,190 --> 01:19:46,080

Master, what's going on?

766

01:19:45,750 --> 01:19:47,650

Master, please stop!

767

01:19:48,560 --> 01:19:50,240

Afro, what are you doing?

768

01:19:52,470 --> 01:19:53,490

Master?

769

01:19:56,670 --> 01:19:57,750

There he is!

770

01:19:57,750 --> 01:19:59,150

Quit your wasting your
time with that kid!

771

01:19:59,150 --> 01:19:59,830

Jinno.

772

01:19:59,830 --> 01:20:00,940

Fight us!

773

01:20:00,580 --> 01:20:02,600

The Number Two headband is mine!

774

01:20:06,990 --> 01:20:08,090

Master?

775

01:20:08,090 --> 01:20:09,160

Jinno.

776

01:20:09,160 --> 01:20:10,860

Take everyone and run.

777

01:20:11,520 --> 01:20:13,020

Run and live.

778

01:20:14,200 --> 01:20:18,100

Now you will see what it means
to wear the Number Two headband.

779

01:20:18,620 --> 01:20:19,440

Master!

780

01:20:33,380 --> 01:20:34,480

Master!

781

01:20:34,480 --> 01:20:35,520

No!

782

01:20:35,980 --> 01:20:37,600

Fool! Stay out of this!

783

01:20:51,730 --> 01:20:52,660

Master!

784

01:20:56,330 --> 01:20:57,630

Stay away from me!

785

01:21:11,220 --> 01:21:12,820

Let's see what you've got.

786

01:21:30,320 --> 01:21:32,040

Playtime's over, kiddies.

787

01:21:38,860 --> 01:21:40,360

Sasuke! No!

788

01:21:50,380 --> 01:21:52,730

Jiro! Matasaburo!

789

01:21:59,330 --> 01:22:01,090

Otsuru!

790

01:22:14,600 --> 01:22:15,850

Jinno!

791

01:22:26,100 --> 01:22:26,980

Jinno...

792

01:22:28,120 --> 01:22:29,120

Afro.

793

01:22:49,700 --> 01:22:51,880

You have chosen your path.

794

01:22:52,760 --> 01:22:54,020

Afro...

795

01:22:55,080 --> 01:22:57,170

No... Don't...

796

01:23:14,690 --> 01:23:15,790

Why?

797

01:23:16,420 --> 01:23:18,320

Why did you kill our Master?

798

01:23:19,080 --> 01:23:20,590

What have you done?

799

01:23:21,770 --> 01:23:30,060

She's dead, and you...

You chose revenge over our Master.

800

01:23:30,060 --> 01:23:32,130

Over everyone.

801

01:23:32,690 --> 01:23:36,520

We're your family. Why?

802

01:23:38,000 --> 01:23:40,370

For my... true father.

803

01:23:41,720 --> 01:23:43,790

What about us?

804

01:23:44,860 --> 01:23:47,940

What about us?

805

01:23:50,410 --> 01:23:51,540

I...

806

01:23:54,820 --> 01:23:57,630

Treated you as my brother.

807

01:24:05,220 --> 01:24:11,160

I will never forgive you.

808

01:24:12,360 --> 01:24:13,980

Jinno!

809

01:24:30,230 --> 01:24:31,290

Hey Afro.

810

01:24:33,350 --> 01:24:34,000

Boo.

811

01:24:35,350 --> 01:24:36,700

What you're waiting for?

812

01:24:36,700 --> 01:24:39,280

You really sure that's
the right decision?

813

01:24:40,580 --> 01:24:43,910

I mean, if you don't wanna
wear it, it's okay man.

814

01:24:44,780 --> 01:24:46,760

Don't do it man, seriously.

815

01:24:46,760 --> 01:24:48,120

Don't do it.

816

01:24:48,780 --> 01:24:51,690

Damn, there goes
the neighborhood...

817

01:24:59,090 --> 01:25:03,140

Good. I'm glad you've
lasted this long.

818

01:25:03,790 --> 01:25:05,880

I want you to die slowly.

819

01:25:06,300 --> 01:25:12,200

I want you to burn,
bleed, suffer as I have.

820

01:25:13,120 --> 01:25:16,110

Come on! What is
taking so long?

821

01:25:16,110 --> 01:25:17,820

Just finish him off!

822

01:25:18,430 --> 01:25:20,560

I take orders from no one!

823

01:25:21,080 --> 01:25:23,060

How dare you?

824

01:25:24,130 --> 01:25:27,590

You will obey my orders
and finish the Afro.

825

01:25:28,170 --> 01:25:31,980

You must not fail as
the Empty Seven have.

826

01:25:31,980 --> 01:25:33,850

Don't compare me to them.

827

01:25:33,850 --> 01:25:36,620

I don't care about
the useless headband.

828

01:25:36,620 --> 01:25:38,830

I just want Afro!

829

01:25:39,770 --> 01:25:41,280

I want him hurt!

830

01:25:41,280 --> 01:25:43,000

I want him crippled!

831

01:25:43,000 --> 01:25:45,660

He'll bleed for all the pain he's caused.

832

01:25:45,660 --> 01:25:47,560

Do what you want, then.

833

01:25:54,410 --> 01:25:56,880

You don't know
how long I've waited.

834

01:25:57,480 --> 01:26:02,250

To avenge the deaths of those
who loved and trusted you!

835

01:26:20,330 --> 01:26:23,760

My tears have
never stopped falling.

836

01:26:23,760 --> 01:26:25,280

Since that day.

837

01:26:26,000 --> 01:26:27,000

Jinno.

838

01:27:14,420 --> 01:27:17,300

What it is, what it is,

What it is!

839

01:27:17,730 --> 01:27:19,800

Shit, No tears

840

01:27:19,800 --> 01:27:21,930

Come on Afro, Cheer up!

841

01:27:23,370 --> 01:27:25,640

I know how you feel, baby.

842

01:27:25,640 --> 01:27:28,180

Lots of your peeps died!

843

01:27:28,180 --> 01:27:31,020

But, Hey! At least You

got me now...

844

01:27:32,580 --> 01:27:34,450

I'll be your

road go.

845

01:27:43,710 --> 01:27:45,560

Like I told you

846

01:27:46,230 --> 01:27:48,670

We might not make it this time baby.

847

01:27:48,670 --> 01:27:50,330

Didn't I say to be careful?

848

01:27:59,950 --> 01:28:03,090

Come on man, get that
damn look off your face.

849

01:28:04,070 --> 01:28:06,470

You know No use of regretting now.

850

01:28:07,650 --> 01:28:09,640

You came to be what you are

851

01:28:09,660 --> 01:28:11,440

Because you are stuck to your

convictions, dog.

852

01:28:12,210 --> 01:28:14,350

So go on and take care
of your business

853

01:28:14,650 --> 01:28:16,150

wack that motherfucker!

854

01:28:18,580 --> 01:28:20,640

even if he is your old pal.

855

01:28:22,100 --> 01:28:24,570

You of all the people
should understand that.

856

01:28:25,070 --> 01:28:26,250

Don't forget your goal.

857

01:28:27,300 --> 01:28:29,810

If your opponent do a swording,

858

01:28:29,830 --> 01:28:32,290

You've got to do twice as many moves
in order to win.

859

01:28:33,370 --> 01:28:37,540

The force of the blow is twice
as powerful for the double-handed grip.

860

01:28:39,600 --> 01:28:41,150

Ok, If you say so.

861

01:28:42,980 --> 01:28:44,800

You just don't listen to people,
Do you?

862

01:28:45,910 --> 01:28:47,400

hey, dog.

863

01:28:47,400 --> 01:28:49,190

You're on your own
from here.

864

01:28:54,660 --> 01:28:56,630

I guess this is goodbye.

865

01:28:59,660 --> 01:29:03,160

Oh, man, it was the bomb
hanging out with you!

866

01:29:03,620 --> 01:29:05,870

Afro Samurai...

867

01:29:15,910 --> 01:29:19,410

Yes, what you say may indeed be true.

868

01:29:23,250 --> 01:29:25,820

against any normal foe with
two single hand blades,

869

01:29:25,840 --> 01:29:28,560

the raw power of your style would be greater.

870

01:29:28,560 --> 01:29:30,870

but I am no ordinary foe!

871

01:29:30,870 --> 01:29:33,870

I have speed, grace...

872

01:29:33,890 --> 01:29:36,400

and power far beyond yours.

873

01:29:37,970 --> 01:29:41,330

Watch as I strike with both
hands holding a single blade...

874

01:29:41,760 --> 01:29:46,320

and end this game once
and for all, Afro Samurai.

875

01:29:55,430 --> 01:29:57,960

See you in hell!

876

01:30:32,760 --> 01:30:37,840

Wonderful Kuma, you are
my greatest creation.

877

01:30:37,840 --> 01:30:39,890

Your anger increased your power

878

01:30:39,910 --> 01:30:42,190

beyond that of the Afro Samurai.

879

01:30:42,610 --> 01:30:45,530

Strike now, defeat our hated enemy!

880

01:30:46,039 --> 01:30:49,126

tear the number 2 warrior

limb from limb!

881

01:31:06,640 --> 01:31:08,700

This is terrible...

882

01:31:15,140 --> 01:31:20,060

severe injuries to the neck,

and the back of the head

883

01:31:20,360 --> 01:31:22,610

and all this deep gouged cuts

884

01:31:22,630 --> 01:31:26,610

on the rips, it is quite...

885

01:31:28,950 --> 01:31:31,360

He's got deep laceration
from the blades

886

01:31:31,380 --> 01:31:34,560

and badly broken bones
from falling off the cliff.

887

01:31:34,960 --> 01:31:39,250

and his limbs, with this degree
of damage..

888

01:31:39,250 --> 01:31:40,630

they're useless.

889

01:31:40,630 --> 01:31:42,830

Can we revive his
tortured soul?

890

01:31:43,450 --> 01:31:47,900

I need at least 450 micro mini actuators...

891

01:31:47,900 --> 01:31:51,500

a 100 super slim control CPUs...

892

01:31:51,500 --> 01:31:54,060

some sensors and fuel cells.

893

01:31:54,700 --> 01:31:56,310

understood, brother.

894

01:31:58,600 --> 01:32:01,590

Why are you granting me

this honor?

895

01:32:01,869 --> 01:32:05,549

because you have the perfect

technical expertise..

896

01:32:06,110 --> 01:32:07,840

and you have no morals.

897

01:32:09,028 --> 01:32:12,517

ah! But you are smearing my good name.

898

01:32:13,240 --> 01:32:17,950

My twisted brother, create us
a samurai with extreme power.

899

01:32:18,234 --> 01:32:21,840

but I sense his rage, his grief

900

01:32:21,909 --> 01:32:24,902

Should we not just let him die, brother?

901

01:33:11,600 --> 01:33:14,720

Quit playing, you fool.

902

01:33:14,720 --> 01:33:17,800

finish off that Afro-headed idiot.

903

01:33:18,300 --> 01:33:22,830

Do you hear me?

My dearest Teddy bear..

904

01:33:23,120 --> 01:33:28,360

I sweat with anticipation
for your kill? Can you smell me?

905

01:34:32,340 --> 01:34:34,620

What do we have here?

906

01:36:31,250 --> 01:36:34,120

wait at the main gate of mount Shune.

907

01:36:35,680 --> 01:36:40,190

The Afro Samurai will come
to you in time

908

01:36:43,810 --> 01:36:45,920

You killed our master!

909

01:36:48,660 --> 01:36:50,690

You killed Sasuke!

910

01:36:54,580 --> 01:36:58,920

You killed Jiro, Keikichi,
They're all dead!

911

01:37:07,840 --> 01:37:09,660

and little Otsuru!

912

01:37:12,550 --> 01:37:14,260

You killed her too.

913

01:37:21,590 --> 01:37:22,940

Sasuke.

914

01:37:24,860 --> 01:37:25,830

Jiro.

915

01:37:28,190 --> 01:37:29,330

Master.

916

01:37:31,310 --> 01:37:32,530

Otsuru.

917

01:37:35,280 --> 01:37:36,480

Otsuru.

918

01:37:38,940 --> 01:37:41,015

Now Kuma..Now!

919

01:37:41,116 --> 01:37:43,290

Your life support circuit has been damaged,

920

01:37:43,290 --> 01:37:45,390

You don't have much time left!

921

01:37:45,430 --> 01:37:47,360

Strike, strike!

922

01:38:02,370 --> 01:38:05,560

Life has made you a killer.

923

01:38:07,920 --> 01:38:10,930

So kill me or die,

there is no going back.

924

01:38:50,850 --> 01:38:52,520

Impossible...

925

01:38:53,760 --> 01:38:55,510

Never mind...

926

01:38:56,210 --> 01:38:58,050

at least injured as you are,

927

01:38:58,340 --> 01:39:01,950

you will die in the hands
of the number 1.

928

01:39:55,100 --> 01:39:57,310

What took you so long, kid?

929

01:39:58,580 --> 01:40:02,470

I got tired of waiting,
so I was just thinking of calling..

930

01:40:02,470 --> 01:40:04,470

and leaving you a voice mail..

931

01:40:11,200 --> 01:40:12,500

I've watched you.

932

01:40:13,100 --> 01:40:16,130

I saw you kill your childhood sword body.

933

01:40:16,650 --> 01:40:20,860

I even chuckled when you shed
that imaginary friend of yours.

934

01:40:26,890 --> 01:40:30,390

You've grown into a fine killer.

935

01:40:31,750 --> 01:40:33,700

but you still vulnerable.

936

01:40:40,900 --> 01:40:45,060

Like your daddy,

You're soft in the inside.

937

01:40:49,190 --> 01:40:51,990

He couldn't handle all the blood
on his hands..

938

01:40:52,130 --> 01:40:54,200

from the constant
headband wars.

939

01:40:54,200 --> 01:40:57,220

He actually wanted to just hide
the number 1 band..

940

01:40:58,167 --> 01:41:03,090

Don't you know that absolute
power leads to ultimate peace?

941

01:41:03,393 --> 01:41:06,111

Power is nothing if you don't use it.

942

01:41:18,660 --> 01:41:21,240

all of chaos, pain..

943

01:41:21,211 --> 01:41:23,760

It's time for someone to take control.

944

01:41:24,420 --> 01:41:28,980

It's time for a man

to use absolute power...

945

01:41:29,030 --> 01:41:31,590

...for the cause of ultimate peace.

946

01:41:31,793 --> 01:41:34,680

It is time for a man to
rid the world of conflict.

947

01:41:34,756 --> 01:41:36,495

and allow all men and women..

948

01:41:36,646 --> 01:41:39,735

young and old to live in tranquility

949

01:41:40,100 --> 01:41:43,254

It is time for man
to become god.

950

01:41:43,332 --> 01:41:45,936

where god has failed.

951

01:41:48,257 --> 01:41:51,672

You think it's a mere coincidence that
you don't have a father,

952

01:41:51,869 --> 01:41:54,655

Friend or master?

953

01:41:56,549 --> 01:41:59,575

All of them were sacrificed

954

01:41:59,954 --> 01:42:03,181

You stand before me now,
for the same reason..

955

01:42:04,110 --> 01:42:07,930

Destiny designed me
to possess all the headbands.

956

01:42:09,440 --> 01:42:10,970

how you get it?

957

01:42:11,700 --> 01:42:13,775

You gotta have just one,

958

01:42:13,976 --> 01:42:15,850

you gotta have more

959

01:42:16,050 --> 01:42:19,300

then and only then,

will ultimate power be bestowed..

960

01:42:19,320 --> 01:42:23,100

from a mystery beyond human understanding.

961

01:42:23,782 --> 01:42:25,374

I think your daddy knew,

962

01:42:25,477 --> 01:42:27,843

I think the only reason He accepted my challenge

963

01:42:28,374 --> 01:42:31,683

was to prevent me from learning this truth.

964

01:42:33,240 --> 01:42:38,010

Now here, secluded

in this holly place,

965

01:42:38,010 --> 01:42:41,960

I will defeat you, and take
both headbands in my possession

966

01:42:42,650 --> 01:42:45,990

you're here to hand me
the number 2 headband, Afro Samurai

967

01:42:45,990 --> 01:42:48,310

so that I may rule the world.

968

01:42:49,370 --> 01:42:52,000

I will be god

969

01:43:09,860 --> 01:43:11,980

Are you ready to die
like your pappy?

970

01:43:30,910 --> 01:43:32,460

This is it, kiddo.

971

01:43:32,460 --> 01:43:34,440

Here's where you go down...

972

01:44:06,420 --> 01:44:07,670

finished

973

01:44:25,140 --> 01:44:26,510

is that it?

974

01:44:28,690 --> 01:44:32,110

and I thought you

loved your pappy...

975

01:44:32,110 --> 01:44:34,365

I thought all the souls you sent to heavens

976

01:44:34,366 --> 01:44:36,620

behind you mattered

977

01:44:38,330 --> 01:44:41,350

but only now you see,

978

01:44:41,370 --> 01:44:47,850

your little anger is just a sea spray
of blood in the endless oceans
of this world of killing

979

01:44:50,290 --> 01:44:52,010

It's got no end.

980

01:44:52,930 --> 01:44:54,310

and no beginning.

981

01:44:54,860 --> 01:44:57,470

Just a strong and dead.

982

01:44:58,610 --> 01:45:02,950

only cursed one like you and I
can stomach this truth.

983

01:45:20,240 --> 01:45:25,650

but just like your daddy,
you could never finish me, Afro Samurai.

984

01:45:34,120 --> 01:45:37,620

I finally got all the headbands...

985

01:45:38,680 --> 01:45:42,150

I'm finally becoming God!

986

01:45:51,490 --> 01:45:52,600

Damn!

987

01:46:36,900 --> 01:46:38,000

Number 1...

988

01:47:37,200 --> 01:47:40,600

Time passes by...

989

01:47:40,690 --> 01:47:43,537

Many years later..

990

01:48:31,510 --> 01:48:32,640

Jino...

991

01:48:36,200 --> 01:48:39,850

It's been a long time
eh, Afro Samurai?

992

01:48:40,520 --> 01:48:43,270

You will only die again my friend.

993

01:48:46,950 --> 01:48:50,620

Perhaps, or maybe we finally
just tie this up

994

01:48:57,060 --> 01:48:58,210

Alright.

995

01:48:58,311 --> 01:48:59,360

Let's do this.

996

01:49:13,615 --> 01:49:14,933

and so....

997

01:49:18,566 --> 01:49:22,342

the never-ending battle continues...

AFRO SAMURAI: RESURRECTION (2009)

1

00:00:36,581 --> 00:00:39,623

The legendary Number 1 headband.

2

00:00:40,232 --> 00:00:46,035

It's promises power, omnipotence,
immortality.

3

00:00:46,300 --> 00:00:48,594

But at what cost?!

4

00:00:48,671 --> 00:00:53,004

One that is greater than any man can imagine.

5

00:00:53,039 --> 00:00:56,642

And heavier than any man
can bear.

6

00:00:56,992 --> 00:01:01,057

Nobody who has ever worn ...

7

00:01:01,312 --> 00:01:06,239

is to escape the torment
his perpetual burden.

8

00:02:38,382 --> 00:02:41,379

The headband shall be ...

9

00:02:42,543 --> 00:02:44,543

...ours!

10

00:03:16,820 --> 00:03:18,820

Touche!

11

00:03:50,635 --> 00:03:54,635

Come on you bastard!

12

00:04:48,319 --> 00:04:50,319

Son.

13

00:05:00,850 --> 00:05:02,850

Father?

14

00:07:04,540 --> 00:07:06,540

Jinno?

15

00:08:08,536 --> 00:08:10,386

Do you remember me?

16

00:08:10,486 --> 00:08:12,486

I remember you..

17

00:08:12,750 --> 00:08:15,230

and all that you have done.

18

00:08:15,943 --> 00:08:19,178

Murderer, monster!

19

00:08:19,950 --> 00:08:23,474

How many hundreds of lives have you ended?

20

00:08:23,797 --> 00:08:28,323

How many thousands have been
made mourn the loss of their loved ones.

21

00:08:29,360 --> 00:08:31,360

Now, it's your turn.

22

00:08:31,501 --> 00:08:34,091

I know the one thing you care about.

23

00:08:34,126 --> 00:08:39,619

And when I bring him back from the dead,
I'm gonna toy with him...

24

00:08:40,280 --> 00:08:42,557

torture him.

25

00:08:54,830 --> 00:08:57,516

Your father was suffered the punishment

26

00:08:58,018 --> 00:09:02,761

for your sins..! Afro Samurai.

27

00:09:04,144 --> 00:09:08,792

Unless you find the Number 2 headband
and try to stop me.

28

00:09:09,636 --> 00:09:11,932

Do you have the balls?

29

00:09:15,337 --> 00:09:18,112

So go fetch boy!

30

00:09:34,000 --> 00:09:36,200

Come for me Afro Samurai.

31

00:09:36,864 --> 00:09:39,562

The Number 1 headband on my forehead..

32

00:09:40,128 --> 00:09:43,104

you are bound by your samurai code.

33

00:09:44,026 --> 00:09:47,568

Take the bait to find the Number 2,

34

00:09:47,931 --> 00:09:49,931

...come for me,

35

00:09:50,222 --> 00:09:53,573

..so I can crush your heart and body,

36

00:09:54,200 --> 00:09:56,746

...as you have crushed mine!

37

00:10:27,200 --> 00:10:29,628

Now, don't we look like shit?!

38

00:10:29,928 --> 00:10:33,583

How you been man?

Ain't seen you in a while!

39

00:10:37,940 --> 00:10:39,940

UUUH... You got all ancient.

40

00:10:40,533 --> 00:10:45,052

Look at this poor blade,

it's all jacked up.

41

00:10:45,200 --> 00:10:48,028

Man, things sure have changed!

42

00:10:52,450 --> 00:10:55,248

So how come you not wear
the Number 1 headband, huh?

43

00:10:56,300 --> 00:10:58,464

I had my revenge.

44

00:10:58,760 --> 00:11:01,245

Ain't you learned nothing yet?

45

00:11:01,400 --> 00:11:08,089

Whatever your reasons, once you put on
the headband... you can never really escape!

46

00:11:08,589 --> 00:11:14,641

But anyway, how's that Teddy Bear guy
still alive? Didn't you dead him already?

47

00:11:14,691 --> 00:11:18,531

Guess not,'cause he own the strong rebound

48

00:11:18,566 --> 00:11:21,587

and put much foot in your black ass.

49

00:11:22,106 --> 00:11:27,643

And did you kiss that honey, he was ridin'
with? She's the new Numero Uno now!

50

00:11:28,583 --> 00:11:31,095

Damn, she's major bootylicious too!

51

00:11:31,220 --> 00:11:33,854

She's got ass for --!

52

00:11:34,200 --> 00:11:38,057

Even in a cold ass rage she
get me hot a trout!

53

00:11:49,220 --> 00:11:50,940

It begins again.

54

00:11:51,040 --> 00:11:57,331

Allright! Now, that's what I'm talkin' 'bout!
We're raw dawgz again!

55

00:11:58,450 --> 00:12:00,450

But if you want going near of me

56

00:12:00,800 --> 00:12:05,965

bla..bla..

57

00:12:19,570 --> 00:12:22,847

Are you sure this fragments
of a bone are enough?

58

00:12:25,000 --> 00:12:30,744

Please rest assure, in 2 weeks we
shall be witnessed to a miracle.

59

00:12:30,818 --> 00:12:38,444

Sio... my heart felt gratitude for your
generous help with my experiments.

60

00:12:38,729 --> 00:12:46,510

With the completion of this ultimate being...
we shall superseek the power of God himself!

61

00:12:46,886 --> 00:12:50,293

The world will be in our hands.

62

00:12:55,100 --> 00:13:01,621

I shall be the one to decide
how we use this miracle, professor Durnar.

63

00:13:02,200 --> 00:13:07,065

And it is you who is helping us.
Don't forget that!

64

00:13:09,060 --> 00:13:13,441

My apologies Your Highness, Miss Sio.

65

00:13:13,680 --> 00:13:18,126

This is simply a perfect
coincidence of interests.

66

00:13:18,321 --> 00:13:24,421

Please be assured that I will use
all of my resources for your service...

67

00:13:24,430 --> 00:13:28,435

my most noble and beautiful lady Sio.

68

00:13:29,220 --> 00:13:31,220

Very wise of you.

69

00:13:34,500 --> 00:13:38,589

Setting of the restructuring
system is complete.

70

00:13:42,421 --> 00:13:47,720

You three! Monitor Afro, and keep
me posting on his moves.

71

00:13:47,954 --> 00:13:49,954

Understood.

72

00:13:55,500 --> 00:13:58,988

The time is finally upon us!

73

00:13:59,300 --> 00:14:05,090

All preparations have been made,
to get our revenge on Afro Samurai.

74

00:14:21,610 --> 00:14:23,575

You're lookin'a little refreshed now

75

00:14:23,610 --> 00:14:26,210

of course that didn't wipe
that pissed look off your face.

76

00:14:26,430 --> 00:14:28,430

You know, I mean..

77

00:14:28,449 --> 00:14:32,537

to steal your daddy's funk ass remains
in the middle of the storm..

78

00:14:35,376 --> 00:14:39,603

that's just creepy right?
All decomposed and shit.

79

00:14:39,638 --> 00:14:43,161

I mean, who does that? For real!
But I fail in you.

80

00:14:43,196 --> 00:14:46,581

This pissed you off so much,
you're gonna hit the road again.

81

00:14:46,616 --> 00:14:50,148

To find a NO.2 headband again,

82

00:14:50,183 --> 00:14:53,681

just so you can fight the NO.1 again!

83

00:14:59,671 --> 00:15:03,362

All this just to get your
daddy's nasty ass skull?!

84

00:15:04,800 --> 00:15:06,620

He was already dead.

85

00:15:06,720 --> 00:15:09,123

Who cares?

86

00:15:10,468 --> 00:15:15,166

I have no choice. My father must rest in peace.

87

00:15:15,400 --> 00:15:17,669

Can we just leave well enough alone?

88

00:15:48,400 --> 00:15:50,400

Wise men say ...

89

00:15:50,460 --> 00:15:56,875

the state of the sword

is a reflection of the soul.

90

00:15:57,500 --> 00:16:00,734

Only the blade is clean now, my brother.

91

00:16:00,944 --> 00:16:03,877

The rest is up to you.

92

00:16:21,073 --> 00:16:23,962

Afro has began to move.

93

00:16:24,600 --> 00:16:26,886

Keep your eyes on him.

94

00:16:28,827 --> 00:16:31,683

We don't gotta do this, you know!

95

00:16:31,936 --> 00:16:34,321

Come on, maybe you just have to chill.

96

00:16:34,420 --> 00:16:38,256

Change your mental state, pick up a sport
or somethin'.

97

00:16:38,600 --> 00:16:40,320

I mind, check me out!

98

00:16:40,420 --> 00:16:43,853

I am happy because I smile all the time!

99

00:16:44,251 --> 00:16:49,051

You though never smile,
and therefore people don't likes you!

100

00:16:49,100 --> 00:16:53,175

Even without that headband
would they still want to fight against you.

101

00:16:53,236 --> 00:16:55,236

You just ain't no fun, bro!

102

00:16:55,330 --> 00:16:59,930

You're always focus to killing this guy,
killing that guy..

103

00:17:00,200 --> 00:17:02,200

How do you ever like the lady?

104

00:17:02,300 --> 00:17:08,864

Now, the strong, silent types
always the girl, but ...

105

00:17:09,501 --> 00:17:12,206

Hold up, hold up, hold up! Wait a minute!

106

00:17:12,700 --> 00:17:18,660

You know I just realised..this is the first time
I'm seeing you without the NO.2 headband.

107

00:17:19,100 --> 00:17:23,075

And you know what? You look
kinda funny.

108

00:17:23,574 --> 00:17:26,674

It's weird man, I knew something was odd.

109

00:17:26,780 --> 00:17:30,074

I mean, your forehead is huge, bro!

110

00:17:30,140 --> 00:17:33,136

I thought your hair was big,
but daaamn!

111

00:17:33,354 --> 00:17:36,180

That's a four times, four times, forehead.

112

00:17:36,215 --> 00:17:41,872

That's what they mean when
they say headquarters. You're a
big headliner, a headmaster, a...

113

00:17:45,059 --> 00:17:47,059

Shut up!

114

00:17:51,565 --> 00:17:52,795

Now I remember.

115

00:17:52,895 --> 00:17:56,529

The strong, silent, and sensitive type.

116

00:17:58,100 --> 00:18:00,184

Hey, where we going?

117

00:18:10,800 --> 00:18:13,765

Is it true? He's heading this way?

118

00:18:13,800 --> 00:18:18,800

Oh yeah, that's him. I can't forget
those eyes and hair.

119

00:18:18,880 --> 00:18:23,261

The cursed creature who cut down my Shumi.

120

00:18:23,447 --> 00:18:26,942

The demon who slaughtered those we love.

121

00:18:26,977 --> 00:18:32,077

We can't let this opportunity pass by.

Revenge will be ours.

122

00:18:32,085 --> 00:18:34,831

I do not think we can take him down.

- He's too strong.

123

00:18:35,552 --> 00:18:38,772

We're not ready yet!

There's ain't enough of us!

124

00:18:38,900 --> 00:18:42,145

C'mon, they say he never

held his blade in years!

125

00:18:42,260 --> 00:18:49,280

It's true, he's weak! Now is the only chance.

We strike now.

126

00:18:49,315 --> 00:18:52,354

Hey, how come you guys know so much?

127

00:18:52,389 --> 00:18:55,394

That lady over there, she knows all about him.

128

00:18:55,716 --> 00:18:59,648

None of you know nothing!

What's gonna kill him gonna do?

129

00:18:59,683 --> 00:19:01,970

Everything is still all fucked.

130

00:19:02,005 --> 00:19:03,310

You're wrong!

131

00:19:03,410 --> 00:19:08,260

It was only after Afro Samurai kill Justice
that the world fell into chaos.

132

00:19:08,300 --> 00:19:10,700

Man had always kill for the headband

133

00:19:10,840 --> 00:19:14,584

but after Justice died

And Afro refused to replace him..

134

00:19:14,622 --> 00:19:17,867

then he began kill for the joy of killing

135

00:19:17,902 --> 00:19:20,051

That's when my husband fell.

136

00:19:21,000 --> 00:19:26,128

He is coming!

Afro Samurai is coming!

137

00:19:37,388 --> 00:19:39,924

As Lady Sio had been predicted.

138

00:19:39,959 --> 00:19:44,388

Thing's has moving, just as she's plan

139

00:19:49,736 --> 00:19:51,736

You might need this.

140

00:20:03,400 --> 00:20:05,971

You murdered my father.

141

00:20:06,800 --> 00:20:09,781

You murdered him!

You killed my only brother!

142

00:20:09,901 --> 00:20:13,677

And my best friend!

This is for my dead son!

143

00:20:42,665 --> 00:20:46,097

A curse on you demon! You will burn in hell!

144

00:20:46,408 --> 00:20:49,966

You will drown in a

blood of those innocents you have slayed!

145

00:20:50,011 --> 00:20:54,441

You will suffer the -- blades of all of us,

146

00:20:54,476 --> 00:20:56,423

even after death!

147

00:20:56,458 --> 00:20:59,909

Curse on you, Afro Samurai!

148

00:21:18,700 --> 00:21:20,900

Oh snap! Now this is more like it!

149

00:21:21,100 --> 00:21:23,606

Yo man! Let me hold some gals.

150

00:22:05,594 --> 00:22:07,775

The Afro Samurai is here.

151

00:22:09,141 --> 00:22:11,251

Send him in, won't you.

152

00:22:11,492 --> 00:22:13,163

OK, now! Here's the plan,

153

00:22:13,263 --> 00:22:17,327

You'll do something and...

I'm gonna lap dance, and

154

00:22:17,362 --> 00:22:19,327

meet you in 5 minutes. WHOO! Hold up dog..

155

00:22:20,321 --> 00:22:22,321

let's get in!

156

00:22:45,937 --> 00:22:48,839

Oyideyassu.

157

00:22:53,440 --> 00:22:56,561

The NO.2 headband!

158

00:22:57,500 --> 00:23:02,419

I am afraid, I can not give you the
location of the NO.2 headband..

159

00:23:02,553 --> 00:23:07,067

for free. But if you can defeat me..

160

00:23:09,436 --> 00:23:14,147

Not by a sword. We play... these.

161

00:23:15,100 --> 00:23:19,764

If you win, I'll tell you where to find the NO.2

162

00:23:20,120 --> 00:23:23,957

If I win, I have your head.

163

00:23:24,841 --> 00:23:26,938

Do we have a deal?

164

00:23:27,700 --> 00:23:31,055

Escort Mr. Afro to the gambling area.

165

00:23:38,440 --> 00:23:40,783

Unlike you brother Wong..

166

00:23:41,000 --> 00:23:45,025

I only play games that I know I'll win.

167

00:23:49,413 --> 00:23:53,726

Now, that was off the chizzin'!

168

00:23:53,922 --> 00:23:57,922

Yo Afro, I got 2 for one dance man.

169

00:23:58,600 --> 00:24:00,600

Wow, wow, wow..Hey, what I missed?

170

00:24:03,850 --> 00:24:06,210

Oh, we're gambling now?

Cool!

171

00:24:06,950 --> 00:24:09,321

Let us start the game.

172

00:24:10,125 --> 00:24:13,411

Play on the black.

Ooops! Wrong game.

173

00:24:18,979 --> 00:24:20,979

Call!

174

00:24:22,820 --> 00:24:24,820

Odd.

175

00:24:25,300 --> 00:24:27,300

Even.

176

00:24:29,500 --> 00:24:31,726

Double ones, even.

177

00:24:32,000 --> 00:24:37,540

Afro Samurai,

now that you lost fair and square...

178

00:24:37,917 --> 00:24:40,555

I must ask you to fulfill your...

179

00:24:45,000 --> 00:24:47,000

Fair?

180

00:24:51,550 --> 00:24:55,902

That cheatin' son of a bitch!

I want free lap dances behind that.

181

00:24:56,698 --> 00:25:00,365

The NO.2 headband!

182

00:25:01,537 --> 00:25:05,031

The NO.2 is a ronin named Shichikoro.

183

00:25:05,415 --> 00:25:09,469

He is in the village called

Machisiri, to the west.

184

00:25:13,653 --> 00:25:19,175

Couldn't we stayed a few minutes longer in
that gambling house? This shit is boring, man!

185

00:25:19,564 --> 00:25:21,564

You're boring!

186

00:25:34,002 --> 00:25:38,121

The very demon of revenge,
seeks divine guidance?!

187

00:25:39,890 --> 00:25:43,367

Do you really think you can

apsolve yourself of sin..

188

00:25:43,437 --> 00:25:47,058

by sculpting stupid lil' toys?

189

00:25:48,093 --> 00:25:51,069

Now, that's some shit you don't see every day!

190

00:25:51,800 --> 00:25:54,000

You're fallin' so far..

191

00:25:54,100 --> 00:25:55,840

coward!

192

00:25:55,940 --> 00:25:57,940

I've been watching you..

193

00:25:58,170 --> 00:26:01,880

Can you even rage your
sword against another?

194

00:26:02,209 --> 00:26:06,166

Where is the cold-blooded killer,
you once were?

195

00:26:06,603 --> 00:26:09,804

Do you no longer have the stomach to fight?

196

00:26:10,117 --> 00:26:11,880

Well you remain a coward..

197

00:26:11,980 --> 00:26:14,974

even as your father suffers?

198

00:26:15,215 --> 00:26:19,207

Oh now, that's just ain't nice.

You have to listen to that shit?

199

00:26:19,680 --> 00:26:23,007

And you have such a long, long way to go...

200

00:26:23,471 --> 00:26:27,038

to save your poor tortured father.

201

00:26:27,100 --> 00:26:29,586

I've almost revived his rotten bones.

202

00:26:29,791 --> 00:26:31,791

Oh, he will live again!

203

00:26:31,935 --> 00:26:33,935

To feel pain..

204

00:26:34,186 --> 00:26:36,054

to suffer.

205

00:26:36,154 --> 00:26:39,494

And you don't even have the
NO.2 headband yet.

206

00:26:40,196 --> 00:26:44,296

So, I have a few more
days or maybe even weeks...

207

00:26:44,400 --> 00:26:46,698

to enjoy your father's pain

208

00:26:46,950 --> 00:26:50,768

before you even have the
right to challenge me.

209

00:26:59,940 --> 00:27:04,198

Watch your damned mouth...

210

00:27:08,180 --> 00:27:11,221

'cause I am comin' for my Dad!

211

00:27:32,330 --> 00:27:34,966

Damn! We are comin'to get you bitch!

212

00:27:35,468 --> 00:27:41,019

You are weak my head love.

213

00:27:41,425 --> 00:27:44,812

Now the fun begins.

214

00:27:46,614 --> 00:27:49,420

She don't know who she's
fakin' with.

215

00:28:00,950 --> 00:28:02,950

Jinno.

216

00:28:03,440 --> 00:28:05,983

At last he's become to move.

217

00:28:06,000 --> 00:28:08,000

All's proceeding to plan.

218

00:28:08,261 --> 00:28:10,261

You will have your revenge.

219

00:28:11,100 --> 00:28:12,553

But to succeed..

220

00:28:12,653 --> 00:28:16,362

you and I my love,
must walk the path of demons.

221

00:28:17,370 --> 00:28:19,415

I'm truly sorry...

222

00:28:19,760 --> 00:28:24,742

but this is the only way to
make him feel the eternal sadness..

223

00:28:25,200 --> 00:28:27,200

that we have felt.

224

00:28:27,280 --> 00:28:29,299

To make him suffer,

225

00:28:30,006 --> 00:28:32,064

as we have suffered.

226

00:28:32,837 --> 00:28:34,837

So, please..

227

00:28:35,300 --> 00:28:37,300

forgive me.

228

00:28:37,400 --> 00:28:39,400

Just remember..

229

00:28:39,845 --> 00:28:42,696

that there was no alternative.

230

00:28:44,446 --> 00:28:47,037

I will always love you.

231

00:28:48,450 --> 00:28:51,303

My beloved brother.

232

00:29:12,760 --> 00:29:14,832

Your luck sucks man.

233

00:29:14,833 --> 00:29:19,234

Everybody know this is a
first day at a year liberate round here.

234

00:29:19,269 --> 00:29:23,618

You ain't get no info of these
party people 'bout NO.2 headband.

235

00:29:24,046 --> 00:29:28,114

His name was Shichigoro, right?

You even ain't got any idea what he look like,

236

00:29:28,149 --> 00:29:32,170

I don't. How we even gonna know that's

his real damn name?

237

00:29:41,599 --> 00:29:43,599

Point i'm trying to make

238

00:29:43,630 --> 00:29:46,076

This all is bad idea

239

00:29:58,980 --> 00:30:00,980

Out of my way!

240

00:30:01,007 --> 00:30:04,627

A kidnapping in the broad daylight?!

That's a damn shame!

241

00:30:06,110 --> 00:30:09,434

Ah, shit!

Afro Samurai.

242

00:30:12,524 --> 00:30:14,344

Out of my way!

No damn!

243

00:30:14,444 --> 00:30:16,953

I said move you son of a bitch!

244

00:30:17,249 --> 00:30:20,853

Gun Afro, gun! Hit the rascal gab's gun!

245

00:30:49,170 --> 00:30:51,170

Kotaro!

246

00:30:58,717 --> 00:31:00,776

Oh daddy!

247

00:31:05,760 --> 00:31:09,814

Kotaro, I told you to stay close.

248

00:31:10,200 --> 00:31:12,200

I'm sorry.

249

00:31:15,900 --> 00:31:18,479

You, you have my thanks!

250

00:31:18,820 --> 00:31:21,360

This coward kidnapped my boy...

251

00:31:22,850 --> 00:31:24,850

Forget it.

252

00:31:28,700 --> 00:31:32,324

Let me buy you a drink.

I know a spot nearby.

253

00:31:40,346 --> 00:31:42,393

I think I lost a ninja boot.

254

00:31:42,428 --> 00:31:45,025

Wait, I am drownin'! Hey Afro!

255

00:31:46,368 --> 00:31:48,659

Don't leave a brother!

256

00:33:02,745 --> 00:33:04,764

I'm home, old man.

257

00:33:07,310 --> 00:33:12,438

Hey, you brought a friend today.

This man saved Kotaro's life.

258

00:33:13,244 --> 00:33:17,324

So maybe he's strong enough,
not to die from your stew old man.

259

00:33:18,654 --> 00:33:22,230

Watch your mouth when you
talk about my oden Shichigoro!

260

00:33:22,440 --> 00:33:24,996

you might find a hot pepper in your bowl.

261

00:33:25,480 --> 00:33:27,622

You call this craps oden?

262

00:33:27,953 --> 00:33:30,474

More like chunky rat poison.

263

00:33:30,509 --> 00:33:33,005

Anyway, Give me and the
kid the two of usual ...

264

00:33:33,040 --> 00:33:35,501

and throw couple of cup sake, hot

265

00:33:36,529 --> 00:33:38,529

Come in right up!

266

00:33:38,970 --> 00:33:40,970

Chunky rat poison!

267

00:33:41,400 --> 00:33:45,093

Just for you,
you're little street rat.

268

00:33:47,216 --> 00:33:49,357

You're the street rat.

269

00:33:58,603 --> 00:34:02,047

Hey, I'm back!

And get my shoes too.

270

00:34:02,299 --> 00:34:04,299

You're gettin' your grub on?

271

00:34:05,656 --> 00:34:08,000

UUUH... Something smells funky!

272

00:34:08,273 --> 00:34:10,835

Oh shit that's to do!

273

00:34:12,469 --> 00:34:14,723

What do we have partner?

274

00:34:16,273 --> 00:34:18,816

Sukiyaki.

Double then!

275

00:34:40,600 --> 00:34:42,600

Cheers to you.

276

00:34:43,500 --> 00:34:47,476

Oh not a drinker, huh? You don't know
what you're missin'.

277

00:34:48,170 --> 00:34:50,170

Lemonade then?

278

00:34:53,280 --> 00:34:55,280

Kidding, kidding!

279

00:34:55,805 --> 00:34:58,196

Forget it, then I drink them both!

280

00:35:04,100 --> 00:35:06,506

You aren't here for the festival, are ya?

281

00:35:07,053 --> 00:35:10,661

Me neither.

Just passing through.

282

00:35:12,450 --> 00:35:15,751

But I guess we've stayed a bit.

283

00:35:17,500 --> 00:35:19,775

We had our chuckles at the festival.

284

00:35:20,123 --> 00:35:23,129

But it's best we move on.

285

00:35:28,870 --> 00:35:34,109

It's sucks you've gotta kill this dude.

I gotta say, he ain't so bad. And cool!

286

00:35:49,314 --> 00:35:52,475

It's always lonely after the festival.

287

00:35:54,140 --> 00:35:58,041

At least, this is the last time I'll have
to eat your lousy rat poison.

288

00:36:00,403 --> 00:36:01,596

You'll be sorry.

289

00:36:01,696 --> 00:36:07,017

I make the best stew for miles around.

When you come back,

remind me to charge you double.

290

00:36:09,884 --> 00:36:11,627

This is the best?!

291

00:36:11,727 --> 00:36:15,533

Afro, maybe I kill here too for lyin'.

292

00:36:15,568 --> 00:36:17,533

This stew sucks!

293

00:36:19,647 --> 00:36:23,495

Lemonade. Please help yourself!

294

00:36:33,075 --> 00:36:36,763

That guy earlier. The man you cut down.

295

00:36:37,080 --> 00:36:40,078

You wanna know why he tried to kidnap Kitaro?

Hell no!

296

00:36:40,420 --> 00:36:44,945

You wanna know why anyone bothers
with a street kid and a drunk like me?

297

00:36:46,487 --> 00:36:50,407

It's OK old man. OK, tell us.

298

00:36:57,162 --> 00:37:00,204

I've got something everybody wants.

299

00:37:25,332 --> 00:37:28,909

One minute he's stuffing his face,
the next he's passed out.

300

00:37:28,930 --> 00:37:32,225

He ain't even mine, he's an orphan.

301

00:37:32,238 --> 00:37:34,939

Son of a pal got himself murdered.

302

00:37:35,733 --> 00:37:37,036

I promised to watch him

303

00:37:37,136 --> 00:37:39,383

if he ever got in trouble and killed.

304

00:37:40,287 --> 00:37:43,313

Me and that old bastard,

We were like brothers.

305

00:37:43,871 --> 00:37:47,540

He wasn't brightest,

but he was a good man.

306

00:37:48,052 --> 00:37:50,955

He died when this kid was to pop

307

00:37:51,504 --> 00:37:54,855

I heard a man who killed him

had a wierd look.

308

00:37:55,259 --> 00:37:59,909

An afro hairdo with a greenish tint,

if you looked real close.

309

00:38:01,624 --> 00:38:05,503

Now you listen to me, and you listen good.

310

00:38:05,930 --> 00:38:11,199

In this world there are bonds,
deeper than blood.

311

00:38:15,280 --> 00:38:21,293

My pal that dumb son of a bitch,
he was like so many fools,
went after those headbands of legend.

312

00:38:21,336 --> 00:38:23,707

All he wound up was his death.

313

00:38:24,730 --> 00:38:27,597

You know what he said
to me when I found him dying?

314

00:38:29,503 --> 00:38:32,737

"No more," he whispered.

315

00:38:34,332 --> 00:38:38,782

So, I got that NO.2 headband myself
and I hid it.

316

00:38:39,703 --> 00:38:42,025

And I'm around ever since.

317

00:38:53,051 --> 00:38:55,311

But now you've come.

318

00:39:09,848 --> 00:39:11,848

And now we're even.

319

00:39:13,518 --> 00:39:16,825

So, let's get this over with.

320

00:39:21,400 --> 00:39:25,824

It's all now, no more Mr. Nice bro'.

321

00:39:29,365 --> 00:39:31,897

Keep that poison hot old man,

322

00:39:32,311 --> 00:39:34,311

I'll be back in a flash.

323

00:40:10,498 --> 00:40:13,692

I thought if Kitaro and me just kept moving,

324

00:40:14,112 --> 00:40:17,715

maybe folks would forget about it all about
my pal's wish...

325

00:40:17,750 --> 00:40:19,901

and peace for his son.

326

00:40:21,100 --> 00:40:24,175

But I guess, there's no hiding from a fate.

327

00:40:25,120 --> 00:40:26,652

Damned.

328

00:40:26,752 --> 00:40:30,944

All these damn headbands do is
make dead bodies and orphans.

329

00:40:31,800 --> 00:40:33,800

Do you hear me, Afro?

330

00:40:34,020 --> 00:40:36,361

Dead bodies and orphans.

331

00:40:37,370 --> 00:40:41,614

So, I ain't giving you the NO.2 headband

332

00:40:42,300 --> 00:40:44,635

you'll have to kill me to get it!

333

00:40:45,500 --> 00:40:50,543

Not because I'm playin' by headband rules,
not because I'm at to save the world either.

334

00:40:56,588 --> 00:40:58,725

Wassup with the formal stance?

335

00:40:58,760 --> 00:41:01,599

I mean, he is cool, but

he ain't your pal.

336

00:41:01,634 --> 00:41:03,827

Just dead this fool!

337

00:41:09,709 --> 00:41:12,810

It's because I keep my promises.

338

00:42:22,080 --> 00:42:26,025

Don't think I don't know

you Afro Samurai.

339

00:42:26,100 --> 00:42:28,642

I saw what you did on a boardwalk.

340

00:42:29,200 --> 00:42:32,300

Killing a man without a moment of hesitation.

341

00:42:32,789 --> 00:42:36,486

Like he was nothin' but

a fly on your face.

342

00:42:37,380 --> 00:42:40,953

Maybe it's time someone swatted you.

343

00:42:41,870 --> 00:42:44,756

Maybe I feel like I'm the guy to do it.

344

00:42:44,970 --> 00:42:48,731

You won't let him talk all that trash!

Slice him, dice him Afro!

345

00:42:55,168 --> 00:42:59,492

Sayonara, Afro Samurai!

346

00:42:59,740 --> 00:43:02,746

Now that's just whack!

You're gonna die, pretty!

347

00:43:51,220 --> 00:43:52,837

This guy's slick.

348

00:43:52,937 --> 00:43:56,809

I'm impressed! He just might kill your ass!

349

00:44:26,250 --> 00:44:27,509

You're runnin'?

350

00:44:27,609 --> 00:44:30,616

You're makin'us

look bad, dude! Where you're goin'?

351

00:44:43,005 --> 00:44:45,370

I knew you'd be --divious.

352

00:44:45,405 --> 00:44:49,915

We never run from nobody!

We do not learn it now.

353

00:44:49,950 --> 00:44:53,577

Hey man,

keep on swingin while I get my groove on!

354

00:44:53,612 --> 00:44:57,528

Let's party!

355

00:45:18,566 --> 00:45:23,175

Everybody like rock stars.

Lightshow, a lightshow!

356

00:45:51,200 --> 00:45:53,200

Bring in, baby.

357

00:46:28,611 --> 00:46:30,873

Yo look out for this party tracker now.

358

00:46:30,908 --> 00:46:34,989

On the stage,

you've got the man with a NO.2 headband!

359

00:47:04,621 --> 00:47:06,621

Hey where do they come from?

360

00:47:13,960 --> 00:47:17,112

This is only half cook.

You expect me to eat this?

361

00:47:17,147 --> 00:47:18,660

I broke my teeth on this crap!

362

00:47:18,760 --> 00:47:22,075

This is disgusting!

How do you even stay on business?

363

00:47:22,110 --> 00:47:25,391

Come on let's get out in here

This place should be shutdown!

364

00:47:31,420 --> 00:47:33,420

Dad?

365

00:47:59,622 --> 00:48:01,708

You killed the music!

366

00:48:01,900 --> 00:48:04,519

Why you always gotta wreck the party?

367

00:48:10,150 --> 00:48:13,145

That was an unnecessary distraction.

368

00:48:13,700 --> 00:48:15,747

You still wanna die?

369

00:48:21,987 --> 00:48:24,233

You want it that much.

370

00:48:24,268 --> 00:48:27,607

It is just a piece of cloth, you idiot.

371

00:48:31,220 --> 00:48:37,277

If you're feelin' so lucky, come and get it!

372

00:50:08,300 --> 00:50:10,300

Summenarae.

373

00:50:53,980 --> 00:50:57,093

You always got to bust up
the fun, don't you.

374

00:50:57,128 --> 00:50:59,916

I was raving until the break of dawn, man.

375

00:50:59,951 --> 00:51:03,960

Like tits and -- thing.. Why you gonna ruin it?

376

00:51:03,995 --> 00:51:07,969

That they've even cancelled the damn
thing next year, and it's all your fault.

377

00:51:08,004 --> 00:51:09,272

And another thing!

378

00:51:09,372 --> 00:51:14,259

You ain't all that just 'cause
you're back to be in NO.2 again!

379

00:51:15,000 --> 00:51:19,300

Don't you get it! We're walking the
demon path again.

380

00:51:19,354 --> 00:51:21,354

It ain't the right way.

381

00:51:28,100 --> 00:51:29,278

So where we goin' next?

382

00:51:29,378 --> 00:51:32,999

How about gettin' a lil' push-push first,
know what I'm sayin'?

383

00:51:33,034 --> 00:51:35,496

Man we'll never party.

384

00:51:39,581 --> 00:51:42,028

Damn. That was kinda jump off.

385

00:51:50,531 --> 00:51:52,284

Didn't they already kicked your ass?

386

00:51:52,384 --> 00:51:54,384

They come at you again.

387

00:51:54,922 --> 00:51:58,370

Your blade stains the world with blood.

388

00:51:58,828 --> 00:52:00,600

Oh ya, then?

389

00:52:00,700 --> 00:52:04,257

You kill only for your selfish petty reasons.

390

00:52:08,235 --> 00:52:10,235

Have you no heart?

391

00:52:31,624 --> 00:52:34,822

This can't be real man. Who the hell
are these people!

392

00:52:34,857 --> 00:52:36,822

This ain't possible!

393

00:52:51,528 --> 00:52:53,603

I don't think so!

394

00:52:54,720 --> 00:53:00,364

You should restrain yourself or
risk another humiliating beating.

395

00:53:01,470 --> 00:53:05,045

You don't want to risk breaking my new toy,
do you?

396

00:53:05,800 --> 00:53:08,489

He is so fragile, right now.

397

00:53:09,400 --> 00:53:12,333

Go to the Cherry Hill, or he dies again.

398

00:53:12,600 --> 00:53:18,301

But this time, much, much,
much.. more slowly.

399

00:53:20,770 --> 00:53:24,665

Watch your damn mouth!

400

00:53:26,923 --> 00:53:28,923

Ben!

401

00:53:29,360 --> 00:53:32,168

My lady, step back.

402

00:53:52,300 --> 00:53:54,317

You allright man?

403

00:53:55,250 --> 00:53:57,269

NO!

404

00:54:24,311 --> 00:54:26,848

Hey, easy little sis'!

405

00:54:27,660 --> 00:54:29,986

It's been a long time, hasn't it Sio?

406

00:54:30,251 --> 00:54:32,251

How you been princess?

407

00:54:32,686 --> 00:54:33,648

Good.

408

00:54:33,748 --> 00:54:37,955

And our foster parents, how are they?

OH, they've been great!

409

00:54:38,500 --> 00:54:40,040

They are like real parents.

410

00:54:40,140 --> 00:54:43,768

And they got this kind of Bin-san,
he's kinda -- scared.

411

00:54:43,803 --> 00:54:47,041

And other guy Michael-san
he plays with me a lots!

412

00:54:47,076 --> 00:54:51,807

Oh, oh..and there's this lady Tomo-san,
she teaches me to be the real princess.

413

00:54:51,842 --> 00:54:55,737

I even learned to dance,
and have tea and everything.

414

00:54:57,863 --> 00:54:59,881

Wow, that's great!

415

00:55:00,952 --> 00:55:03,370

I wish you could be here, with me.

416

00:55:03,792 --> 00:55:07,001

I know lil' sister, but you're safe here.

417

00:55:07,036 --> 00:55:10,469

This family wanted a daughter
of their own to replace the one they lost.

418

00:55:10,967 --> 00:55:13,360

Now I see that they accepted
you as their own.

419

00:55:13,745 --> 00:55:15,745

We both should be grateful.

420

00:55:15,791 --> 00:55:18,037

I'll try to visit more OK?

421

00:55:20,607 --> 00:55:24,110

Hey, there's someone I want you to meet!
This is Afro.

422

00:55:24,321 --> 00:55:26,321

Afro, this is Sio, my sister.

423

00:55:27,740 --> 00:55:29,740

Oh, hi Afro!

424

00:55:30,950 --> 00:55:34,162

He's a newcomer at the sword school,
but he's really good

425

00:55:34,600 --> 00:55:37,752

almost as good as me,
he's like a brother.

426

00:55:39,700 --> 00:55:41,700

Brother?

Aha!

427

00:55:42,470 --> 00:55:46,339

So I guess, that makes you my brother, too.

428

00:55:47,092 --> 00:55:49,198

Yeah, I guess.

429

00:55:51,991 --> 00:55:53,606

Cool!

430

00:55:53,706 --> 00:55:55,718

I just got another brother!

Yap!

431

00:55:56,592 --> 00:55:59,244

Can I see the sword school someday too?

432

00:56:00,297 --> 00:56:03,095

Yeah sure, anytime.

433

00:56:03,300 --> 00:56:06,851

You're shy. And your hair is funny.

434

00:56:08,136 --> 00:56:10,207

Nice to meet you too.

435

00:56:35,400 --> 00:56:37,474

You'll soon be free.

436

00:56:39,844 --> 00:56:43,618

You can't just toy with science
like that Lady Sio.

437

00:56:43,653 --> 00:56:45,400

Are you mad?!

438

00:56:45,500 --> 00:56:50,358

Once he's completed, he could very well
be the ultimate samurai!

439

00:56:50,572 --> 00:56:52,362

But if his growth is interrupted..

440

00:56:52,462 --> 00:56:56,676

he could end up just a pile
of worthless protein jelly!

441

00:56:58,000 --> 00:57:04,175

Mad?! That's strange word coming
from the very image of madness.

442

00:57:04,235 --> 00:57:07,835

But our plans could've been ruined!

443

00:57:08,521 --> 00:57:12,204

It's part of the process, dear professor.

444

00:57:12,503 --> 00:57:16,227

The more I taunt Afro, the better.

445

00:57:16,400 --> 00:57:20,959

I want his suffering to be long and slow.

446

00:57:21,400 --> 00:57:26,392

His death is not my goal,
only the final exclamation point.

447

00:57:26,829 --> 00:57:29,104

Don't you know me by now?

448

00:57:31,974 --> 00:57:36,516

Of course, lady Sio!
You are truly twisted!

449

00:57:36,551 --> 00:57:39,894

But it's just... risks!

450

00:57:44,183 --> 00:57:47,695

What a refreshing experience!

451

00:57:47,730 --> 00:57:52,266

I've twisted the most twisted
scientist in the world..

452

00:57:52,301 --> 00:57:54,470

with my twistedness.

453

00:57:56,162 --> 00:57:59,465

Don't fear my round friend.

454

00:57:59,720 --> 00:58:03,943

Everything is moving so deliciously.

455

00:58:04,740 --> 00:58:07,035

Have a little faith.

456

00:58:09,163 --> 00:58:11,500

Yes, my Lady!

457

00:58:12,987 --> 00:58:15,592

With my guidance it won't end as badly..

458

00:58:15,627 --> 00:58:18,586

as your failed masterpiece Kuma.

459

00:58:19,700 --> 00:58:21,200

Look at him!

460

00:58:21,300 --> 00:58:25,012

You've repaired him so

many times there is no human left at all.

461

00:58:26,055 --> 00:58:28,972

He's just a mindless samurai doll.

462

00:58:29,707 --> 00:58:33,494

Soulless, dead.

463

00:58:33,803 --> 00:58:37,345

It disgusts you, doesn't?

The failure. I mean..

464

00:58:37,380 --> 00:58:41,292

The frustratingly crude limits
of the human body.

465

00:58:41,550 --> 00:58:45,088

But even your full
mechanical works have been destroyed.

466

00:58:45,987 --> 00:58:48,175

The Afro-droid...

467

00:58:49,713 --> 00:58:54,893

scrap metal at the bottom of the
ruined temple of the Empty Seven.

468

00:58:55,250 --> 00:58:57,275

But now..

469

00:58:57,306 --> 00:58:59,332

muscle, bone

470

00:58:59,938 --> 00:59:03,113

blood. But they'll merge by nano-technology,

471

00:59:03,148 --> 00:59:06,254

chemically programmed neuroceptors,

472

00:59:06,289 --> 00:59:12,216

and things so forbidden, it's
more alchemy than biotechnology.

473

00:59:16,360 --> 00:59:22,692

You truly are the world's most wicked,
shit-faced genius scientist.

474

00:59:23,549 --> 00:59:27,730

You'll burn in hell for your
insults against nature.

475

00:59:28,295 --> 00:59:31,833

You praise me so wonderfully, Lady Sio.

476

00:59:32,271 --> 00:59:35,248

I am not worthy of your poetry.

477

00:59:35,283 --> 00:59:41,432

You scum! History will mourn your
trustees you now commit.

478

00:59:41,467 --> 00:59:44,000

You should be burned alive.

479

00:59:58,900 --> 01:00:03,974

Afro will chase me and
my brother to ruined city.

480

01:00:04,280 --> 01:00:09,646

When he arrives, he will see
the consequences of his sins.

481

01:00:10,135 --> 01:00:14,983

His twice killed only friend,
and his beloved father,

482

01:00:15,018 --> 01:00:19,832

shall impale him with their revengeful blades.

483

01:00:21,145 --> 01:00:30,268

And then, the last moment,
these hands will be the ones
that end the life of Afro Samurai.

484

01:00:30,986 --> 01:00:38,775

He's not even worthy
to die by your heroic and wicked hands.

485

01:00:44,478 --> 01:00:49,923

But his end will not bring him
bliss, my professor.

486

01:01:02,139 --> 01:01:05,241

It is hot, up in this piece!

487

01:01:05,491 --> 01:01:07,722

Ain't there a quicker way to Cherry Hill?

488

01:01:07,757 --> 01:01:12,217

And by the way, you know that bitch
Sio is walking us into a trap, don't you?

489

01:01:12,252 --> 01:01:15,961

And that was one weird
family reunion too

490

01:01:17,062 --> 01:01:21,424

Now I'm sure lots of folks would love to see
that your daddy's alive again...

491

01:01:21,459 --> 01:01:27,331

but I'm not so sure seein' a living head,
his nasty ass guts and shit,
and what most folks ain't have in mind.

492

01:01:27,741 --> 01:01:31,014

I mean, how could he be alive, huh?
Maybe it wasn't him.

493

01:01:31,100 --> 01:01:36,638

It's a trick. Maybe it was another robot,
like that afro droid you killed awhile back.

494

01:01:36,796 --> 01:01:41,072

Or maybe like a muppet,
you know like drawn by hand or somethin'.

495

01:01:43,429 --> 01:01:46,614

OK..Oh, oh, OK..that was stupid.
It ain't doll.

496

01:01:46,969 --> 01:01:51,335

Whatever it was, one thing is for sure!

497

01:01:51,603 --> 01:01:55,134

That biach is craazy!

498

01:01:55,393 --> 01:01:58,451

She must really hate you
to all that trouble to take.

499

01:01:58,672 --> 01:02:00,023

And what was with Kuma?

500

01:02:00,123 --> 01:02:02,492

Is it normal not the plaintive type?

501

01:02:02,527 --> 01:02:06,957

He has not said a word.

I find that disturbing.

502

01:02:07,219 --> 01:02:10,845

Something is wrong. And I don't like it

503

01:02:10,880 --> 01:02:14,472

What you wanna do

'bout this kid who follow us?

504

01:02:15,440 --> 01:02:19,982

So you killed his Popps, now he
probably tryin' to ax you.

505

01:02:20,017 --> 01:02:22,572

That sounds faliliar, don't it?

506

01:02:25,058 --> 01:02:29,002

No sweatin', no sweatin',

kid ain't gonna last much longer.

507

01:02:29,037 --> 01:02:33,058

He's been dragging behind us
in this damn heat for days.

508

01:02:33,775 --> 01:02:35,948

He'll dead by morning.

509

01:03:00,397 --> 01:03:03,648

Sorry Daddy.

510

01:04:09,950 --> 01:04:12,938

I wish you three could've
seen the look on his face.

511

01:04:13,075 --> 01:04:17,739

when I showed him the living
head of his own dead father.

512

01:04:17,840 --> 01:04:23,268

Never forget that it was Afro Samurai
that made you what you are.

513

01:04:23,800 --> 01:04:27,363

He will live in hell on Earth,
for what he's done to us.

514

01:04:27,750 --> 01:04:34,788

You will enjoy every second
of excruciating agony that I'll inflict upon him.

515

01:04:35,240 --> 01:04:38,874

You'll watch as he bleeds from his very pores.

516

01:04:38,950 --> 01:04:43,864

Listen to the sound of his breaking bones.

517

01:04:44,080 --> 01:04:48,578

Smell his fear and his burning flesh.

518

01:05:09,450 --> 01:05:14,056

His death will be so filled with horror,

519

01:05:14,320 --> 01:05:16,874

it will pass into legend.

520

01:05:17,200 --> 01:05:21,885

And I too, as his legendary executioner.

521

01:06:16,800 --> 01:06:18,410

Mount climbing?

522

01:06:18,510 --> 01:06:21,173

what joke is this man?

523

01:06:21,565 --> 01:06:23,673

We ain't got no equipment,

524

01:06:23,708 --> 01:06:25,786

I need a -- drink.

525

01:06:25,821 --> 01:06:27,786

You gotta rope?

526

01:06:27,900 --> 01:06:30,052

You sure we're goin' the right way?

527

01:06:33,820 --> 01:06:37,813

Askin' thin' Afro. I think I'm holdin'
down man.

528

01:06:37,918 --> 01:06:39,899

At least I'll have a stroke.

529

01:06:39,934 --> 01:06:43,524

You're stressin' me out.
I hate hights.

530

01:07:02,800 --> 01:07:05,577

Is this the mean spot?

531

01:07:05,999 --> 01:07:10,399

Damn! I've been back in the day,
this place was sweet.

532

01:07:10,479 --> 01:07:12,850

It's like a messed up -- paw.

533

01:07:13,121 --> 01:07:19,339

Been here candy corn, funk heights,
some mean ass coasters. The whacks.

534

01:07:19,630 --> 01:07:21,630

Ain't nobody home now, tho'.

535

01:07:21,900 --> 01:07:26,299

What happened to them man?
Shame it's all in ruins.

536

01:07:26,348 --> 01:07:28,408

Who did this?

537

01:07:30,353 --> 01:07:34,956

You sure this is the place
that chick's ass should be waitin' for you?

538

01:07:35,159 --> 01:07:37,564

Wow, check it out, that's justice.

539

01:07:38,568 --> 01:07:41,680

You know you never did ask

for no directions 'long the way.

540

01:08:23,275 --> 01:08:25,480

Now, who is this?

541

01:08:26,350 --> 01:08:31,470

Hmm, costume party? Welcome Committee?

Comedy troupe?

542

01:08:32,760 --> 01:08:36,584

Thanks, but no thanks.

We've gotta get to a meeting, OK?

543

01:08:40,056 --> 01:08:41,939

Let's see, ummm...

544

01:08:42,039 --> 01:08:44,129

YO! Funny Face!

545

01:08:44,164 --> 01:08:49,697

You seen a crazy sexy bitch

with a Teddybear-headed dude round here?

546

01:08:51,624 --> 01:08:53,624

There ain't no blood!

547

01:09:01,070 --> 01:09:03,070

I might go die here! Daaaamn!

548

01:09:08,163 --> 01:09:12,416

Lady Sio is not here.

549

01:09:14,742 --> 01:09:19,502

You remember us do you, Afro Samurai?

550

01:09:20,223 --> 01:09:23,774

Who would've imagine that the boy we once
knew..

551

01:09:23,874 --> 01:09:27,429

would return as such a mad executioner.

552

01:09:27,679 --> 01:09:34,016

Driven only by his murderous rage,
to bring death and chaos to the world.

553

01:09:37,140 --> 01:09:40,054

Draw your sword Afro Samurai.

554

01:10:42,300 --> 01:10:44,300

Now, you die!

555

01:11:03,078 --> 01:11:07,539

Well hello, my lady. Please rejoice,

556

01:11:07,752 --> 01:11:12,401

the restoration of Afro's father
is in the final stage.

557

01:11:12,501 --> 01:11:15,804

However, this stage is very sensitive,

558

01:11:15,839 --> 01:11:21,194

and if the slightest error occurs,
we still could lose everything.

559

01:11:22,942 --> 01:11:26,559

They are gone.

What's this?

560

01:11:27,980 --> 01:11:31,980

They'd never undertake anything
without my orderss. What've you done?

561

01:11:32,202 --> 01:11:35,239

Pehaps they went into town.

562

01:11:36,870 --> 01:11:38,230

What do you mean?

563

01:11:38,330 --> 01:11:44,203

Or.. perhaps they challenged
Afro Samurai without you.

564

01:11:44,583 --> 01:11:49,127

But don't fear! Who knows they might just win.

565

01:11:50,687 --> 01:11:54,096

After all, you might be surprised
to hear

566

01:11:54,131 --> 01:12:00,276

that they all have quite an impressive area
of gadgets, engineered in their bodies..

567

01:12:00,575 --> 01:12:04,777

Not to mention the
special drug injection in them too.

568

01:12:11,741 --> 01:12:17,111

Lady Sio?

What sport is this?

569

01:12:27,433 --> 01:12:31,662

what a heisty princess we have here.

570

01:12:32,117 --> 01:12:34,267

Regeneration is not yet...

571

01:12:36,774 --> 01:12:41,282

You did such a splendid job, dear Professor.

572

01:12:41,611 --> 01:12:49,145

You got all the clairs,
all the right gratifications I own my thanks.

573

01:12:50,058 --> 01:12:55,570

Now, it is time for you to
make a well deserved break.

574

01:12:56,011 --> 01:12:59,376

Good night, Professor!

575

01:13:13,800 --> 01:13:17,782

The other executioner is about to awaken.

576

01:14:38,844 --> 01:14:44,500

No matter your intentions. There are
things that we cannot allow you to do.

577

01:14:44,836 --> 01:14:49,359

We must not allow our lady Sio
to thread the path of darkness.

578

01:14:49,577 --> 01:14:56,400

Such a sweet lady she is.

We will not allow to fall from grace.

579

01:14:56,645 --> 01:15:01,122

Instead, we will be the sinners.

580

01:15:35,380 --> 01:15:39,188

All I wanted was for Afro,
to see the town he destroyed.

581

01:15:39,400 --> 01:15:44,400

I wanted him to see the consequences
of his sins, before I slit his throat.

582

01:15:44,500 --> 01:15:47,323

But now my vasalls are most likely dead.

583

01:15:49,100 --> 01:15:52,705

Fools rush in, where angels fear to thread.

584

01:16:37,750 --> 01:16:40,642

Michael, shoot him now!

585

01:16:43,460 --> 01:16:46,990

What are you waiting for?

Do it!

586

01:16:47,400 --> 01:16:51,735

Shoot 'em. She is dead already.

587

01:16:51,784 --> 01:16:55,407

Do it for our lady Sio.

588

01:18:06,376 --> 01:18:12,727

I knew that sooner or later,
this day would come.

589

01:18:15,474 --> 01:18:18,758

I will die with you.

590

01:19:29,883 --> 01:19:31,663

Afro you made it!

591

01:19:31,763 --> 01:19:33,317

How'd you survive old boy?

592

01:19:33,417 --> 01:19:36,053

Tell me What I miss? You know I get hit,
by sweepin' God, I'm hurt too.

593

01:19:36,088 --> 01:19:38,689

But I'm tough! So I'm worth!

594

01:19:38,860 --> 01:19:41,118

You waxed them ugly jokers?

595

01:20:04,400 --> 01:20:06,400

Follow me, son.

596

01:20:06,700 --> 01:20:09,679

Holy fuck!

597

01:20:11,070 --> 01:20:15,163

Now, I have officially seen it all.

598

01:20:35,140 --> 01:20:38,040

Why you got to walk directly in the every trap.

599

01:20:38,092 --> 01:20:40,092

You stupid or what?

600

01:20:40,395 --> 01:20:44,404

Up there is the crazy bitch who've
been pullin' the strings this whole time.

601

01:20:44,439 --> 01:20:48,378

And your own revived robo pal,
who don't like your ass neither!

602

01:20:48,413 --> 01:20:53,425

On the top of that, we've fallen for some
freak of nature, you think is your Dad!

603

01:20:53,460 --> 01:20:56,431

That is my real father!

604

01:20:59,797 --> 01:21:02,727

Wrong answer, that's it! you're an idiot.

605

01:21:02,762 --> 01:21:05,681

And this is far as I go.

606

01:21:06,284 --> 01:21:08,284

See ya!

607

01:21:14,808 --> 01:21:20,158

I'm so happy that you made it.

We've so much to talk about

608

01:21:24,790 --> 01:21:29,207

I have come for my father, and NO.1 headband.

609

01:21:29,499 --> 01:21:31,499

What a surprise!

610

01:21:31,783 --> 01:21:37,579

But what can you possibly do,
with your body so utterly destroyed?

611

01:21:53,399 --> 01:21:55,478

We can torture you.

612

01:21:55,712 --> 01:21:58,203

Death will come slowly.

613

01:22:14,415 --> 01:22:18,209

Why didn't you wear the NO.1 headband?

614

01:22:19,043 --> 01:22:22,682

I just wanted revenge for you.

615

01:22:23,390 --> 01:22:25,100

Whatever your reason,

616

01:22:25,200 --> 01:22:30,423

one must shoulder the burden of destiny
that instantly puts 'em on the headband.

617

01:22:30,660 --> 01:22:32,824

You should know that by now.

618

01:22:33,033 --> 01:22:35,307

Become The NO.1!

619

01:22:35,635 --> 01:22:39,344

you can never escape the cycle of blood!

620

01:22:43,493 --> 01:22:46,878

The NO.1 kills or is killed!

621

01:22:47,078 --> 01:22:51,315

You don't have the luxury to choose
who's blood you spill!

622

01:22:51,350 --> 01:22:57,010

Take back the headband, fear not my son.

623

01:22:59,694 --> 01:23:03,500

Father, wait!

Father!

624

01:24:01,175 --> 01:24:05,342

Oh look, look my dear brother.

625

01:24:06,933 --> 01:24:11,385

Afro Samurai is about to meet his end,

just as I planned.

626

01:24:11,420 --> 01:24:14,162

At the hands of his own father.

627

01:24:17,351 --> 01:24:20,217

He'll finally pay for the pain he caused us,

628

01:24:20,252 --> 01:24:24,463

for the pain he caused to thousands like us.

629

01:25:36,580 --> 01:25:38,580

Kill him!

630

01:25:38,634 --> 01:25:41,359

Kill him once and for all!

631

01:26:34,109 --> 01:26:38,103

Kill him Afro, waste him!

He ain't your real father!

632

01:26:38,138 --> 01:26:40,676

That's it! Finish him, do it!

633

01:26:42,002 --> 01:26:45,311

I do not kill my father.

634

01:26:45,346 --> 01:26:48,929

Then this is the end of Afro!

635

01:27:10,205 --> 01:27:13,728

Did you see that Jinno? We did it!

636

01:27:13,763 --> 01:27:16,500

We finally brought him to justice.

637

01:27:16,535 --> 01:27:20,564

And it was we, we who killed him.

638

01:27:21,368 --> 01:27:24,602

Look, look my dear brother.

639

01:27:58,490 --> 01:28:01,011

What have you done?

640

01:28:02,600 --> 01:28:06,238

What have you done to Afro?!

641

01:28:13,327 --> 01:28:16,449

Why are you protecting Afro?!

He is dead now!

642

01:28:16,667 --> 01:28:18,667

It's no use!

643

01:28:22,500 --> 01:28:25,477

Have you forgotten what Afro did to us?

644

01:28:25,512 --> 01:28:27,662

Do you?

645

01:29:03,474 --> 01:29:09,174

my dearest.. brother...

646

01:29:12,650 --> 01:29:18,412

I must protect sword master's dojo.

647

01:29:20,000 --> 01:29:23,409

Must.. protect everyone.

648

01:29:25,600 --> 01:29:29,920

Including my brother, Afro!

649

01:30:35,995 --> 01:30:41,080

I love you, my Jinno.

650

01:30:45,218 --> 01:30:47,218

My brother.

651

01:31:02,650 --> 01:31:06,509

It's been a long time.

Hasn't it Sio?

652

01:31:12,900 --> 01:31:16,242

How have you been, princess?

653

01:32:38,808 --> 01:32:41,712

Run Afro, you can't win!

654

01:32:41,747 --> 01:32:44,082

I said run dammit!

655

01:32:44,502 --> 01:32:48,404

You can't win this one!

He's too strong! He ain't human!

656

01:32:49,340 --> 01:32:51,885

Don't! Doon't!

657

01:32:52,666 --> 01:32:56,346

Shut..up!

658

01:32:56,900 --> 01:32:58,900

It'll soon be over!

659

01:32:59,780 --> 01:33:03,341

Forgive me, but you're not my father.

660

01:33:04,900 --> 01:33:08,501

My father died a long time ago.

661

01:33:13,992 --> 01:33:16,652

Fear not!

662

01:34:01,300 --> 01:34:03,300

Father..

663

01:34:45,461 --> 01:34:48,469

Anytime you're ready!

664

01:35:05,599 --> 01:35:07,926

Does it ever end?

665

01:35:11,514 --> 01:35:13,667

I guess not.

666

01:35:14,690 --> 01:35:20,242

From look on your face, I'd say you had a
helluva rough day! You knew this, didn't you?!

667

01:35:21,209 --> 01:35:25,689

You knew it'll happen again.

668

01:35:25,724 --> 01:35:29,884

I knew it, Afro Samurai.

But I won't nothing.

669

01:35:30,195 --> 01:35:31,881

Anymore

670

01:35:31,981 --> 01:35:33,694

But you know?!

671

01:35:33,794 --> 01:35:35,794

don't turn your back.

672

01:35:36,697 --> 01:35:39,390

That's the only choice you have left.

673

01:40:24,000 --> 01:40:27,211

I've been waiting a long time for you!
